

IRREVOCABLE UNDERTAKING

To: MIH East Holdings, Limited ("**Bidder**")
1 Blossom Yard Fourth Floor
London
E1 6RS

19 March 2025

Dear Directors,

Proposed offer by the Bidder for the entire issued and to be issued ordinary share capital of The International Stock Exchange Group Limited (the "Company")

It is proposed that an offer to acquire the entire issued and to be issued ordinary share capital of the Company not otherwise owned by the Bidder ("**Ordinary Shares**") will be made by the Bidder on, or substantially on, the terms and subject to the conditions set out in the draft announcement contained in the Annex to this letter (the "**2.7 Announcement**").

It is acknowledged that the Offer is anticipated to be made by way of a Scheme but may be made by way of a Takeover Offer.

This letter sets out the terms and conditions on which we will vote in favour of the Scheme (if the Offer proceeds by way of a Scheme) or accept the Takeover Offer (if the Offer proceeds by way of a Takeover Offer), together with such additional terms and conditions as are usual in transactions of this nature or as may be required to comply with the Listing Rules and the requirements of the Code and/or such additional terms and conditions as may be agreed with the Panel and is given by us in our capacity as a beneficial owner of Ordinary Shares.

Defined terms used in this letter (and not otherwise defined in the body of this letter) each have the meaning ascribed to them in paragraph 6.10 below.

1. WARRANTIES

1.1 We warrant, confirm and represent to the Bidder that:

- 1.1.1 we are the beneficial owner of (or are otherwise able to control the exercise of all rights attaching to, including the ability to procure the transfer of) the number of Ordinary Shares listed in Part 1 of the schedule to this letter (the "**Committed Shares**"), which expression shall include:
 - (a) any shares in the capital of the Company of which we may become the registered holder or beneficial owner after the date of this letter; and
 - (b) any shares attributable to or deriving from the Ordinary Shares listed in Part 1 of the schedule to this letter or referred to in paragraph 1.1.1(a) (whether as a result of a reorganisation of the share capital of the Company or otherwise);
- 1.1.2 the Committed Shares comprise our entire interest in the share capital of the Company and, upon the Offer becoming effective in accordance with its terms, will be transferred to the Bidder pursuant to the terms of the Offer free from all charges, liens, security interests, encumbrances and other third-party rights of any nature and together with all rights now or subsequently attaching to them, including the right to all dividends declared, made or paid after the date of this letter (save as otherwise provided for pursuant to the terms of the Offer);
- 1.1.3 we do not hold any options, warrants or other rights to subscribe for Ordinary Shares as at the date of this letter;
- 1.1.4 we have the full power and authority and the right (free from any legal or other restrictions) to enter into this letter and perform the undertakings contemplated by it; and

1.1.5 other than anyone presumed to be acting in concert with us solely by virtue of the definition of "acting in concert" in the Code, we are not knowingly acting in concert with any persons in relation to the Company for the purposes of Rule 9.1 of the Code, (disregarding for this purpose any person giving an irrevocable undertaking to accept the Offer and each of the Bidder and the Company and all persons acting in concert with them).

2. IRREVOCABLE UNDERTAKINGS IN RESPECT OF THE OFFER

Voting in favour of the Scheme

2.1 We undertake to the Bidder that for so long as the Offer proceeds by way of a Scheme, we will and, where applicable, we will procure that any registered holder will in respect of all of the Committed Shares:

2.1.1 exercise or procure the exercise of voting rights (whether in person or by proxy) in respect of the Committed Shares:

(a) in favour of all of the resolutions to approve the Scheme to be proposed at the general meeting of the Company and the meeting to be convened pursuant to an order of the Royal Court of Guernsey in connection with the Scheme or any adjournments or postponements thereof (the "**General Meeting**" and the "**Court Meeting**" respectively); and

(b) against any resolutions (whether or not amended and whether put to the relevant meeting on a show of hands or conducted by way of a poll) to be proposed at the General Meeting or Court Meeting which (if passed) might reasonably be expected to result in any condition of the Offer not being fulfilled or which might reasonably be expected to delay, impede or frustrate the Offer in any way;

2.1.2 without prejudice to any right we have to attend and vote in person at the General Meeting and the Court Meeting, execute (or procure the execution of) any forms of proxy (whether in hard copy or electronically) required by the Bidder in respect of the Committed Shares and in accordance with the procedure set out in the formal document containing details of the Scheme (the "**Scheme Document**"), appointing any person nominated by the Bidder to attend and vote at the General Meeting or the Court Meeting in favour of any resolutions required or desirable in connection with the implementation of the Offer;

2.1.3 ensure that any such form of proxy is received by the Company's registrars not later than 6.00 p.m. on the tenth business day after the date of publication of the Scheme Document or, in relation to Committed Shares falling within either paragraph 1.1.1(a) or paragraph 1.1.1(b) after such date, as soon as reasonably practicable after becoming the registered holder (or beneficial owner) of such Committed Shares); and

2.1.4 not revoke the terms of any proxy appointment submitted pursuant to paragraph 2.1.2 either in writing or in person at the General Meeting or the Court Meeting or otherwise.

Acceptance of a Takeover Offer

2.2 We undertake to the Bidder that if the Offer proceeds by way of a Takeover Offer, we will and, where applicable, we will procure that any registered holder will in respect of all of the Committed Shares at the relevant time:

2.2.1 accept (or procure the acceptance of) the Offer in respect of the Committed Shares and we agree to fulfil this undertaking by validly accepting (or procuring the valid acceptance of) the Offer in respect of the Committed Shares in accordance with the procedure for acceptance set out in the formal document to the Company's shareholders containing the terms and conditions of the Takeover Offer (the "**Offer Document**"), not later than 6.00 p.m. on the tenth business day after the date of publication of the Offer Document

or, in relation to Committed Shares falling within either paragraph 1.1.1(a) or paragraph 1.1.1(b) after such date, as soon as reasonably practicable after becoming the registered holder or beneficial owner of such Committed Shares;

- 2.2.2 do or procure to be done all such things as may be required to give effect to such acceptance, whether by delivery of share certificates for the Committed Shares or otherwise; and
- 2.2.3 not withdraw our acceptance of the Offer in respect of any or all of the Committed Shares, notwithstanding that we may have become entitled to withdraw our acceptance by virtue of the rules of the Code or the terms of the Offer and we shall procure that our acceptance of the Offer is not withdrawn in respect of any or all of the Committed Shares.

RECOMMENDED CASH ACQUISITION

of

THE INTERNATIONAL STOCK EXCHANGE GROUP LIMITED

by

MIH EAST HOLDINGS, LIMITED

(a wholly-owned subsidiary of Miami International Holdings, Inc.)

to be implemented by means of a Court-sanctioned scheme of arrangement

under Part VIII of the Companies (Guernsey) Law, 2008 (as amended)

Summary

- The board of directors of MIH East Holdings, Limited (“**Bidco**”), a wholly-owned subsidiary of Miami International Holdings, Inc. (“**MIH**”), and the board of directors of The International Stock Exchange Group Limited (“**TISE**”) are pleased to announce that they have reached agreement on the terms of a recommended cash offer to be made by Bidco for the entire issued and to be issued ordinary share capital of TISE not otherwise owned by Bidco (the “**Acquisition**”).
- The Acquisition is intended to be effected by means of a Court-sanctioned scheme of arrangement under Part VIII of the Companies Law of Guernsey (the “**Scheme**”).
- Under the terms of the Acquisition, each Scheme Shareholder will be entitled to receive:
 - £22.50 in cash for each Scheme Share held (the "Cash Consideration")**
- The Cash Consideration values the entire issued and to be issued ordinary share capital of TISE at approximately £70.4 million, representing approximately £66.4 million net of proceeds received from the expected exercise of options subsisting under the TISE Share Plans.
- The Cash Consideration represents a premium of approximately:
 - 18.42 per cent. to the closing price of 1,900 pence per TISE Share on 18 March 2025 (being the last Business Day prior to the Announcement Date (“**Latest Practicable Date**”)) (the “**Closing Price**”);

- 19.49 per cent. to 1,883 pence, being the six-month Average Closing Price per TISE Share to the Latest Practicable Date; and
 - 27.73 per cent. to 1,762 pence, being the twelve-month Average Closing Price per TISE Share to the Latest Practicable Date.
- In addition, the TISE Board expects to declare a full year dividend payment of 75 pence in cash per TISE Share when it announces TISE's audited results for the financial year ended 31 December 2024 (the “**Full Year Dividend**”). Further details of the Full Year Dividend will be set out in TISE's full year results announcement which is expected to be released on or around 20 March 2025.
 - If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value other than the Full Year Dividend is declared, made, or paid or becomes payable by TISE, the Cash Consideration may be reduced accordingly. In such circumstances, Scheme Shareholders would be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.
 - Taken together, the value of the Cash Consideration and the Full Year Dividend is £23.25 and represents a premium of approximately:
 - 22.37 per cent. to the Closing Price;
 - 23.48 per cent. to 1,883 pence, being the six-month Average Closing Price per TISE Share to the Latest Practicable Date; and
 - 31.99 per cent. to 1,762 pence, being the twelve-month Average Closing Price per TISE Share to the Latest Practicable Date.

Background to and reasons for the Acquisition

- MIH has used M&A to drive growth in its business through the acquisitions of MIAX Futures Exchange, LLC, The Bermuda Stock Exchange, Dorman Trading, LLC and MIAX Derivatives Exchange. In addition, MIH has made a number of strategic minority equity investments in companies that offer access to commercial opportunities to develop new products and accelerate the growth of its business.
- Through these M&A transactions, MIH has diversified its business across multiple asset classes and geographies, acquiring two U.S.-regulated, vertically integrated futures exchanges and clearing platforms and an international listings exchange with numerous international recognitions.
- MIH believes TISE has established an attractive business with a proven ability to generate shareholder value as evidenced by its revenue growth and dividend history. This business was established in a competitive global market segment and the management team and Board of TISE have grown the number of the listings on TISE's exchange through various macroeconomic cycles and market uncertainties.
- MIH considers the proposed acquisition of TISE to be a compelling opportunity to establish a presence for the MIAX Exchange Group in a European time-zone and market. Bidco currently owns 29.46% of the issued ordinary share capital in TISE and has good insight into the business in its capacity as a supportive shareholder.
- MIH believes there is an opportunity to grow the existing business of TISE following completion of the Acquisition by supporting technology implementation, business development initiatives and further enabling TISE to invest in its operations. MIH believes that additional

resources invested in the business could expand the reach and capabilities of TISE, providing additional scale for the business.

Recommendation

- The TISE Directors, who have been so advised by Investec as to the financial terms of the Acquisition (including the Full Year Dividend), consider the terms of the Acquisition to be fair and reasonable. In providing advice to the TISE Directors, Investec has taken into account the commercial assessments of the TISE Directors. Investec is providing independent financial advice to the TISE Directors for the purposes of Rule 3 of the Code.
- **Accordingly, the TISE Directors intend to recommend unanimously that Scheme Shareholders vote (or procure the voting) in favour of the Scheme at the Court Meeting and that TISE Shareholders vote (or procure the voting) in favour of the Resolution at the General Meeting (or, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept, or procure the acceptance of, such Takeover Offer), as each TISE Director holding TISE Shares has irrevocably undertaken to do in respect of their own beneficial or indirect holdings, amounting, in aggregate, to 30,000 TISE Shares (representing, in aggregate, approximately 1.06 per cent. of the TISE Shares in issue on the Latest Practicable Date).**

Shareholder irrevocable undertakings

- In addition to the irrevocable undertakings from the TISE Directors referred to above, Bidco has also received irrevocable undertakings to vote (or procure the voting) in favour of the Scheme at the Court Meeting and Resolution at the General Meeting (or, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept, or procure the acceptance of, such Takeover Offer) from Carey Olsen Corporate Finance Limited and Neslo Partners No. 2 Limited in respect of 276,100 TISE Shares (representing, in aggregate, approximately 9.72 per cent. of the TISE Shares in issue on the Latest Practicable Date).
- In total therefore, Bidco has received irrevocable undertakings with respect to 306,100 TISE Shares (representing, in aggregate, approximately 10.77 per cent. of the TISE Shares in issue on the Latest Practicable Date).
- Full details of the irrevocable undertakings received by Bidco are set out in Appendix III to this Announcement.

Information on Bidco and MIH

Bidco

- Bidco is a private limited company incorporated in England and Wales and is a wholly-owned subsidiary of MIH. Bidco was established on 20 March 2023 as a wholly-owned subsidiary of MIH and was formed for the purpose of acquiring shares in TISE. Bidco currently holds 837,032 shares in TISE, representing 29.46% of the issued ordinary share capital of TISE. Further details in relation to Bidco will be contained in the Scheme Document.

MIH

- MIH is a technology-driven leader in building and operating financial marketplaces enabled by its in-house built, proprietary technology. MIH launched the MIAX exchanges with a mission to provide (i) marketplaces that cater to the needs of the customer and trading communities, (ii) competitive pricing based on a low-cost operating structure, (iii) superior customer service and performance and (iv) outstanding technology, reliability and risk protections.
- MIH maintains a broad portfolio of US exchange and clearing licenses and operate markets across a diverse number of asset classes, including options, cash equities and futures, and geographies, including the US and Bermuda. MIH through its subsidiaries is regulated by the SEC, the CFTC and the BMA.

Timetable and conditions

- It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement between TISE and the Scheme Shareholders under Part VIII of the Companies Law of Guernsey. Bidco reserves the right (in accordance with the Co-operation Agreement and with the consent of the Takeover Panel, if required) to implement the Acquisition by way of a Takeover Offer.
- The Acquisition will be put to Scheme Shareholders at the Court Meeting and TISE Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number representing 75 per cent. or more in value of the votes cast

by Scheme Shareholders present and voting in person or by proxy at the Court Meeting. In addition, a special resolution implementing the Scheme must be passed by TISE Shareholders representing at least 75 per cent. of votes cast at the General Meeting.

- The Acquisition will be made in accordance with the Code and on the terms and subject to the Conditions which are set out in Appendix I to this Announcement and on the further terms and conditions that will be set out in the Scheme Document, including TISE receiving the requisite approvals from TISE Shareholders, the satisfaction of the GFSC Condition and the JCRA Condition, and the Scheme being sanctioned by the Court.
- The Acquisition does not require (and is not conditional upon) approval from the States of Guernsey. However, the States of Guernsey has been informed of Bidco's intention to pursue the Acquisition and has formally noted its approval to the Acquisition, such approval being conditional upon the headquarters (as stated on The International Stock Exchange's website) of both The International Stock Exchange Group Limited and The International Stock Exchange Authority Limited remaining in Guernsey. For the avoidance of doubt, the non-participating share of £1.00 in the capital of TISE owned by the States of Guernsey (acting by or through the Policy & Resources Committee) is not a Scheme Share and will not transfer to Bidco on completion of the Scheme.
- It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and General Meeting, together with associated Forms of Proxy, will be published within 28 days of this Announcement (or such later time as may be agreed by the Takeover Panel) and the Court Meeting and the General Meeting are each expected to be held as soon as practicable thereafter, giving the required notice for such meetings.
- The Scheme is currently expected to become Effective during Q2 2025, subject to the satisfaction or (where applicable) waiver of the Conditions and the further terms set out in Appendix I to this Announcement and to the full terms and conditions of the Acquisition which will be set out in the Scheme Document. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

Commenting on the Acquisition, Thomas P. Gallagher, Chairman and CEO of MIH, said:

“The acquisition of TISE represents an attractive international expansion opportunity for MIH, allowing us to further execute on our strategy of operating regulated financial markets both in the U.S. and internationally. We are committed to growing our international business and believe that investing additional resources in TISE will help expand its reach and capabilities. We look forward to working with the TISE team to develop new relationships with member firms and issuers and collaborate on opportunities for TISE’s future growth.”

Commenting on the Acquisition, Anderson Whamond, Chair of TISE, said:

“This offer is a testament to the significant progress we have made in executing our strategy to grow and diversify the business, as well as an endorsement of Guernsey as a leading international finance centre. Transformed from a local stock and bond market, today TISE is an established operator of public markets with an enlarged portfolio of financial markets and securities services for both public and private companies. The recommended cash acquisition recognises the strength of the business and enables our shareholders to realise the value of their investment. We are excited about the opportunities to collaborate with MIH to expand TISE’s offering across Europe and internationally”

Additional information for US investors

TISE Shareholders in the United States should note that the Acquisition relates to the securities of a Guernsey company with a listing on the Official List and is proposed to be effected by means of a scheme of arrangement provided for under, and governed by, the Companies Law of Guernsey. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with Guernsey law, the Listing Rules, and the Code. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company organised in Guernsey and listed on the Official List, which differ from the procedural and disclosure requirements of the United States tender offer rules and proxy solicitation rules under the US Exchange Act. If, in the future, Bidco exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14I of the US Exchange Act and Regulation 14E thereunder. Such Takeover Offer would be made by Bidco and no one else.

The financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been or will be prepared in accordance with FRS 102 and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable under FRS 102. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

The TISE Shares have not been approved or disapproved by the Securities Exchange Commission or any US state securities commission, nor have any such authorities passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

US holders of TISE Shares should also be aware that the receipt of consideration by a US holder for the transfer of its TISE Shares pursuant to the transaction contemplated herein may have tax consequences in the United States and that such consequences, if any, are not described herein. US holders of TISE Shares are urged to consult with independent professional advisors regarding the legal, tax and financial consequences of the Acquisition applicable to them.

It may be difficult for US holders of TISE Shares to enforce their rights and claims arising out of US federal securities laws, since TISE is incorporated outside the United States, and its officers and directors may be residents of, and some or all of their assets may be located in, countries other than the United States. US holders of TISE Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders may not be able

to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In the event that the Acquisition is implemented by way of a takeover offer, in accordance with normal practice in the UK and Guernsey and consistent with Rule 14e-5(b) of the US Exchange Act (if applicable), Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in TISE outside the United States, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in Guernsey, will be reported to a Regulatory Information Service and will be available on The International Stock Exchange website at <https://tisegroup.com/>.

Further details in relation to US investors will be contained in the Scheme Document.

RECOMMENDED CASH ACQUISITION

of

THE INTERNATIONAL STOCK EXCHANGE GROUP LIMITED

by

MIH EAST HOLDINGS, LIMITED

(a wholly-owned subsidiary of Miami International Holdings, Inc.)

to be effected by means of a Scheme of Arrangement

to be implemented by means of a Court-sanctioned scheme of arrangement

under Part VIII of the Companies (Guernsey) Law, 2008 (as amended)

1. Introduction

The board of directors of MIH East Holdings, Limited (“**Bidco**”), a wholly-owned subsidiary of Miami International Holdings, Inc. (“**MIH**”), and the board of directors of The International Stock Exchange Group Limited (“**TISE**”) are pleased to announce that they have reached agreement on the terms of a recommended cash offer to be made by Bidco for the entire issued and to be issued ordinary share capital of TISE not otherwise owned by Bidco (the “**Acquisition**”).

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part VIII of the Companies Law of Guernsey (the “**Scheme**”) (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer in accordance with the terms of the Co-operation Agreement and with the consent of the Takeover Panel, if required).

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and certain further terms set out in Appendix I and to the full terms and conditions which will be set out in the Scheme Document, each Scheme Shareholder will be entitled to receive:

£22.50 in cash for each Scheme Share held (the "Cash Consideration")

The Cash Consideration values the entire issued and to be issued ordinary share capital of TISE at approximately £70.4 million, representing approximately £66.4 million net of proceeds received from the expected exercise of options subsisting under of the TISE Share Plans.

The Cash Consideration represents a premium of approximately:

- 18.42 per cent. to the closing price of 1,900 pence per TISE Share on 18 March 2025 (being the last Business Day prior to the Announcement Date ("**Latest Practicable Date**") (the "**Closing Price**"));
- 19.49 per cent. to 1,883 pence, being the six-month Average Closing Price per TISE Share to the Latest Practicable Date; and
- 27.73 per cent. to 1,762 pence, being the twelve-month Average Closing Price per TISE Share to the Latest Practicable Date.

In addition, the TISE Board expects to declare a full year dividend payment of 75 pence in cash per TISE Share when it announces TISE's audited results for the financial year ended 31 December 2024 (the "**Full Year Dividend**"). Further details of the Full Year Dividend will be set out in TISE's full year results announcement which is expected to be released on or around 20 March 2025.

Taken together, the value of the Cash Consideration and the Full Year Dividend is £23.25 and represents a premium of approximately:

- 22.37 per cent. to the Closing Price;
- 23.48 per cent. to 1,883 pence, being the six-month Average Closing Price per TISE Share to the Latest Practicable Date; and
- 31.99 per cent. to 1,762 pence, being the twelve-month Average Closing Price per TISE Share to the Latest Practicable Date.

3. Further Dividends

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value other than the Full Year Dividend is declared, made, or paid or becomes payable by TISE, the Cash Consideration may be reduced accordingly. In such circumstances, Scheme Shareholders would be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

4. Recommendation

The TISE Directors, who have been so advised by Investec as to the financial terms of the Acquisition (including the Full Year Dividend), consider the terms of the Acquisition to be fair and reasonable. In providing advice to the TISE Directors, Investec has taken into account the commercial assessments of the TISE Directors. Investec is providing independent financial advice to the TISE Directors for the purposes of Rule 3 of the Code.

Accordingly, the TISE Directors intend unanimously to recommend that Scheme Shareholders vote (or procure the voting) in favour of the Scheme at the Court Meeting and that TISE Shareholders vote (or procure the voting) in favour of the Resolution at the General Meeting (or, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept, or procure the acceptance of, such Takeover Offer), as each TISE Director holding TISE Shares has irrevocably undertaken to do in respect of their own beneficial holdings, amounting, in aggregate, to 30,000 TISE Shares (representing, in aggregate, approximately 1.06 per cent. of the TISE Shares in issue on the Latest Practicable Date).

5. Background to and reasons for the Acquisition

MIH has used M&A to drive growth in its business through the acquisitions of MIAX Futures Exchange, LLC, The Bermuda Stock Exchange, Dorman Trading, LLC and MIAX Derivatives

Exchange. In addition, MIH has made a number of strategic minority equity investments in companies that offer MIH access to commercial opportunities to develop new products and accelerate the growth of its business.

Through these M&A transactions, MIH has diversified its business across multiple asset classes and geographies, acquiring two U.S.-regulated, vertically integrated futures exchanges and clearing platforms and an international listings exchange with numerous international recognitions.

MIH believes TISE has established an attractive business with a proven ability to generate shareholder value as evidenced by its revenue growth and dividend history. This business was established in a competitive global market segment and the management team and Board of TISE have grown the number of the listings on TISE's exchange through various macroeconomic cycles and market uncertainties.

MIH considers the proposed acquisition of TISE to be a compelling opportunity to establish a presence for the MIAX Exchange Group in a European time-zone and market. Bidco currently owns 29.46% of the issued ordinary share capital in TISE and has good insight into the business in its capacity as a supportive shareholder.

MIH believes there is an opportunity to grow the existing business of TISE following completion of the Acquisition by supporting technology implementation, business development initiatives and further enabling TISE to invest in its operations. MIH believes that additional resources investing in the business could expand the reach and capabilities of TISE, providing additional scale for the business.

6. Background to and reasons for the recommendation

Transformed from a local stock and bond market, today TISE is an established operator of public markets with an enlarged portfolio of financial markets and securities services for both public and private companies.

TISE's growth and diversification strategy is focused on expanding its product and service offering to enlarge and diversify its revenue streams and mitigate business concentration risk. During the past three years, TISE has had a specific focus on diversifying and growing its core bond market offering, developing and launching a private markets service, and modernising its technology platform.

Following the initial acquisition of shares in TISE by Bidco in April 2023, MIH and TISE have been in regular dialogue and recently expressed interest in exploring synergies between TISE and MIH.

MIH's success is founded on its award winning approach to customer service and its inhouse built, proprietary technology. MIH's strong track record of growth has been achieved by accessing new markets through the expansion of its trading products and building strategic alliances.

The Acquisition represents a rare opportunity for MIH to acquire an established exchange in the European time-zone market. MIH has followed TISE closely for some time, becoming a shareholder in 2023, and has a high regard for the strength of TISE's brand and expertise in its chosen markets.

The Acquisition is expected to provide the combined group with a number of strategic and operational benefits. In particular:

- establishing a European footprint for MIH and strengthening the combined group's position in the European exchange industry;
- utilising the transatlantic footprint for the combined group to support business development initiatives by leveraging networks across markets and geographies;
- leveraging MIH's in-house technology to enhance the customer experience and drive TISE's

growth; and

- accelerating the expansion of TISE's products and services across the public and private markets.

The TISE Board is confident that, as an independent business, TISE is well positioned for growth over the longer term.

In recent years, the TISE Board has pursued a number of avenues to increase the visibility and liquidity of TISE's shares. Despite these efforts, the shares have, in the TISE Board's view, remained undervalued and do not appropriately reflect the trading performance and future prospects of TISE. Whilst TISE Shareholders have received regular and substantial dividends over the past five years, there has been limited opportunity for TISE Shareholders (many of whom invested in 2013 at £1.00 per share) to realise the greatly increased value of their holdings.

The TISE Board highlights that the Cash Consideration represents a premium of:

- 18.42 per cent. to the Closing Price;
- 19.49 per cent. to 1,883 pence, being the six-month Average Closing Price per TISE Share to the Latest Practicable Date; and
- 27.73 per cent. to 1,762 pence, being the twelve-month Average Closing Price per TISE Share to the Latest Practicable Date.

The Acquisition provides shareholders with the opportunity to realise the value of their otherwise illiquid shareholding in TISE at a significant premium to the current share price.

The TISE Board have carefully considered the proposal from Bidco. Whilst the TISE Board remains confident that TISE is well positioned to continue to create value over the longer term as an independent business, the TISE Directors have concluded that the terms of the Acquisition recognise the strength and value of TISE's business and provide shareholders with immediate cash realisation, compared to TISE's continuing to pursue an independent strategy.

Accordingly, following careful consideration of the above factors, the TISE Directors intend to recommend unanimously that TISE Shareholders vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting.

7. Irrevocable undertakings

Bidco has received irrevocable undertakings to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolution at the General Meeting (or, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept, or procure the acceptance of, such Takeover Offer) from each TISE Director holding TISE Shares in respect of their entire beneficial or indirect holdings of TISE Shares, amounting, in aggregate, to 30,000 TISE Shares (representing, in aggregate, approximately 1.06 per cent. of the TISE Shares in issue on the Latest Practicable Date).

In addition to the irrevocable undertakings from the TISE Directors referred to above, Bidco has also received irrevocable undertakings to vote (or procure the voting) in favour of the Scheme at the Court Meeting and Resolution at the General Meeting (or, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, to accept, or procure the acceptance of, such Takeover Offer) from Carey Olsen Corporate Finance Limited and Neslo Partners No. 2 Limited in respect of 276,100 TISE Shares (representing, in aggregate, approximately 9.72 per cent. of the TISE Shares in issue on the Latest Practicable Date).

In total therefore, Bidco has received irrevocable undertakings with respect to 306,100 TISE Shares (representing, in aggregate, approximately 10.77 per cent. of the TISE Shares in issue on the Latest Practicable Date).

Full details of the irrevocable undertakings received by Bidco are set out in Appendix III to this Announcement.

9. Information on TISE

TISE was incorporated in Guernsey in November 2013. TISE's ordinary shares were admitted to listing and trading on The International Stock Exchange in June 2016.

TISE provides financial markets and securities services to public and private companies. It employs approximately 40 people, primarily within its headquarters in Guernsey. TISE's business comprises the established public market offering as well as its more recent private markets offering.

Public Market: Best known as one of Europe's major professional bond markets, TISE's Qualified Investor Bond Market (QIBM) is a leading market in Europe for listing high yield bonds and is experiencing strong growth in structured finance and securitisation transactions. TISE also has a pool of 'domestic' equities and a significant share of listed UK Real Estate Investment Trusts (REITs), as well as hosting a comprehensive sustainable finance segment, TISE Sustainable. TISE has over 4,400 securities on its Official List with a total market value of more than £750 billion.

Private Markets: In 2023, TISE launched its innovative private markets offering, TISE Private Markets, providing private companies with access to a set of integrated, tailored electronic auction trading, settlement and registry management solutions.

TISE has enjoyed significant growth in recent years and remains highly cash generative, supporting the payment of two special dividends during the past four years alongside twice-yearly ordinary dividends. In 2023, TISE set new records for financial and business performance despite the challenging macro-economic conditions.

For the financial year ended 31 December 2023, TISE reported record turnover (£10.8 million), profit after tax (£4.9 million) and basic earnings per share (171.3 pence). The total cash returned to shareholders through dividends during the last six years was £9.64 per share, of which £6.52 had been distributed since the beginning of 2021.

For the six month period ended 30 June 2024, TISE reported record turnover (£6.4 million) and an increase in basic earnings per share (107.0 pence). A total of £7.0 million was returned to shareholders during the first half of 2024 through the payment of special and ordinary dividends.

In September 2024, the TISE Board declared a further ordinary dividend of 75.0 pence per share (paid October 2024), a return of £2.1 million to shareholders.

10. TISE current trading and outlook

2024 was another strong year for TISE, operationally and financially. TISE will announce its audited results for the financial year ended 31 December 2024 on or around 20 March 2025 and the Board of TISE expects these results to be in line with management's expectations. The Board of TISE believes that outlook, short-term and beyond, will as ever be influenced by a combination of a number of opportunities and uncertainties but that TISE is well placed to continue to develop and prosper.

11. Management, employees, research and development and locations of TISE

Strategic plans

MIH believes TISE's management and Board have created a strong business that is competitively positioned for further growth as part of a global exchange group. MIH believes TISE will benefit from MIH's technological and market expertise, as well as the relationships MIH maintains with a global network of financial markets participants.

MIH expects to invest a larger portion of free cash flow generated by TISE into the business to enable scalability in people, process and technology than is currently allowed under TISE's dividend policy.

Subsequent to the consummation of the Acquisition MIH intends to work closely with TISE management and employees to set a business development strategy to diversify and expand the number of instruments listed on TISE's exchange and private market offering.

MIH also plans to work with the TISE team to further evaluate ongoing initiatives and technological deployments to determine where MIH's expertise and network can assist to further these opportunities, as well as identifying additional opportunities for growth, which may result in further areas of collaboration between MIH and TISE.

Directors, management and employees

MIH recognises the value created to date by TISE's management team and intends to retain the existing management team to operate TISE and its subsidiary to ensure continued operations and ongoing support for TISE's customers and other stakeholders. MIH confirms that, following the Scheme becoming Effective, it is intended that each of the four TISE non-executive directors will resign from their office as a director of TISE.

MIH does not intend to make any material changes to the overall headcount and functions of TISE. MIH does not anticipate any material change in the balance of skills and functions of employees and management of TISE, or to their conditions of employment.

MIH believes that TISE employees will benefit from broader development and career opportunities through being part of a larger combined group with more extensive international operations, and MIH is excited about the entrepreneurial drive and customer focus of the team at TISE.

MIH confirms that, following the Scheme becoming Effective, the existing contractual and statutory employment rights, including in relation to pensions, of all TISE employees will be fully safeguarded in accordance with applicable law.

Headquarters, locations and fixed assets

MIH has no intention to change the principal locations of TISE's business or the location or function of TISE's headquarters.

MIH is committed to supporting TISE's continued expansion and development through a collaborative and responsible ownership approach, and is excited to establish a presence in Guernsey. MIH anticipates investing in the TISE business to continue growing TISE's market and its capabilities.

MIH does not intend to make any changes to TISE's fixed assets or asset base.

Management incentivisation arrangements

MIH has not entered into, nor had any discussions regarding, any form of incentive arrangements with any member of TISE's management. However, MIH intends to put in place incentive arrangements for the TISE management following the Scheme becoming Effective.

Research and development

TISE does not have any material research and development functions and, therefore, MIH has no plans in this regard.

Pension schemes

TISE does not operate or contribute to any defined benefit pension schemes.

Trading Facilities

The TISE Shares are currently admitted to listing and trading on The International Stock Exchange. As set out in paragraph 16, subject to the Scheme becoming Effective, an application will be made to The International Stock Exchange Authority Limited to cancel the admission of the TISE Shares to listing and trading on The International Stock Exchange on or shortly after the Effective Date.

No statements in this paragraph 11 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

12. Financing

The Cash Consideration payable by Bidco to TISE Shareholders under the terms of the Acquisition will be financed by a combination of: (a) its existing cash resources in an amount equal to £21,412,934 and (b) USD 40,000,000 of third party debt to be provided under an interim facilities agreement entered into between (i) MIH, (ii) Bidco, (iii) Skylight Aggregator, L.P. (as the interim facility agent), (iv) Skylight Aggregator, L.P. (as the interim security agent) and (v) the original interim lender (as defined therein) ("**Interim Facilities Agreement**").

Zeus, in its capacity as financial adviser to Bidco and MIH, is satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the Cash Consideration payable to Scheme Shareholders under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

13. Offer-related arrangements

Confidentiality Agreement

MIH and TISE entered into a confidentiality agreement dated 9 December 2024 (the "**Confidentiality**

Agreement) pursuant to which, amongst other things, MIH has undertaken to: (a) subject to certain exceptions, keep confidential information relating to TISE confidential and not to disclose it to third parties; and (b) use such confidential information only in connection with the Acquisition. The confidentiality obligations remain in force for a period of two years from the date of the Confidentiality Agreement (or, if earlier, upon the Scheme becoming Effective or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer being declared wholly unconditional). The Confidentiality Agreement also contains restrictions on MIH soliciting or employing certain employees of TISE.

Co-operation Agreement

Bidco, MIH and TISE entered into a co-operation agreement dated 19 March 2025 in relation to the Acquisition (the “**Co-operation Agreement**”). Pursuant to the Co-operation Agreement:

- Bidco, MIH and TISE have agreed to be jointly responsible for contacting and corresponding with the relevant regulatory authorities in relation to all necessary filings, notifications and submissions in relation to the obtaining of the GFSC Condition and the JCRA Condition as soon as reasonably practicable (and in any event so as to enable the Scheme to become Effective by the Long Stop Date);
- Bidco and MIH have agreed to use all commercially reasonable efforts to achieve the satisfaction of the Regulatory Conditions;
- Bidco and MIH have agreed to certain customary undertakings to co-operate in relation to satisfying the Regulatory Conditions; and
- Bidco and MIH have agreed to provide TISE with certain information as may be reasonably requested and is required for the Scheme Document.

The Co-operation Agreement records the intention of Bidco, MIH and TISE to implement the Acquisition by way of the Scheme, subject to Bidco’s right to switch to a Takeover Offer.

The Co-operation Agreement also contains customary undertakings between TISE and Bidco relating to the treatment of subsisting share options under the TISE Share Plans in connection with the offer, in respect of certain other incentive arrangements including in relation to the payment of the Full Year Dividend.

The Co-operation Agreement shall terminate, among other things:

- if Bidco and TISE so agree in writing at any time prior to the Effective Date;
- upon service of written notice by Bidco to TISE if: (i) prior to the Long Stop Date, a third party announces a firm intention to make an offer or revised offer for TISE which is publicly recommended by the TISE Directors; (ii) the TISE Directors change their recommendation in certain circumstances; or (iii) prior to the Long Stop Date, a competing proposal (A) completes, becomes effective, or is declared or becomes unconditional or (B) is recommended in whole or in part by the TISE Directors;
- upon written notice by either party to the other if: (i) the Scheme is not approved by the requisite majority of Scheme Shareholders at the Court Meeting or the Resolution is not passed by the requisite majority of TISE Shareholders at the General Meeting; (ii) the Court refuses to sanction the Scheme; (iii) prior to the Long Stop Date, a third party announces a firm intention to make an offer or revised offer for TISE which completes, becomes effective or is declared

or becomes unconditional in all respects; or (iv) a competing proposal completes, becomes effective or is declared or becomes unconditional;

- upon service of written notice by Bidco to TISE stating that a Condition has been invoked by Bidco (where the invocation of the relevant Condition has been permitted by the Takeover Panel) and that such Condition is incapable of satisfaction by the Long Stop Date (and, if it is capable of waiver, that Bidco will not waive the relevant Condition);
- if the Acquisition is withdrawn, lapses or terminates on or prior to the Long Stop Date other than: (i) as a result of Bidco's exercise of the right to switch to a Takeover Offer; or (ii) where it is otherwise to be followed within five Business Days (or such other period agreed between Bidco and TISE) by a firm offer announcement made by Bidco or any person acting in concert with Bidco by a different offer or scheme of arrangement on substantially the same or improved terms; or
- unless otherwise agreed by the parties in writing or required by the Takeover Panel, on the Effective Date, if it has not occurred on or before the Long Stop Date.

14. Structure and Conditions of the Acquisition

Scheme

It is intended that the Acquisition will be effected by means of a Court-sanctioned scheme of arrangement between TISE and the Scheme Shareholders under Part VIII of the Companies Law of Guernsey. Bidco reserves the right (in accordance with the Co-operation Agreement and with the consent of the Takeover Panel, if required) to implement the Acquisition by way of a Takeover Offer.

The purpose of the Scheme is to provide for Bidco to acquire and become the owner of the whole of the issued and to be issued ordinary share capital of TISE. Under the Scheme, the Acquisition is to be achieved by the transfer of the Scheme Shares held by Scheme Shareholders to Bidco in consideration for which the Scheme Shareholders will receive the consideration pursuant to the Scheme on the basis set out in this Announcement and to be set out in the Scheme Document.

The Acquisition does not require (and is not conditional upon) approval from the States of Guernsey. However, the States of Guernsey has been informed of Bidco's intention to pursue the Acquisition and has formally noted its approval to the Acquisition, such approval being conditional upon the headquarters (as stated on The International Stock Exchange's website) of both The International Stock Exchange Group Limited and The International Stock Exchange Authority Limited remain in Guernsey. For the avoidance of doubt, the non-participating share of £1.00 in the capital of TISE owned by the States of Guernsey (acting by or through the Policy & Resources Committee) is not a Scheme Share and will not transfer to Bidco on completion of the Scheme.

Approval by Court Meeting and General Meeting

To become Effective, the Scheme requires, amongst other things:

- (a) the approval of the Scheme by a majority in number representing 75 per cent. or more in value of votes cast by the Scheme Shareholders (or the relevant class or classes thereof, if applicable) who are on the register of members of TISE at the Voting Record Time and who are present and vote, whether in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or, in each case, at any adjournment or postponement of any such meeting; and
- (b) the approval of the Resolution by TISE Shareholders representing at least 75 per cent. of the votes cast by eligible TISE Shareholders, whether in person or by proxy, at the General Meeting (or any adjournment or postponement thereof) to, amongst other things, amend the articles of

incorporation of TISE to ensure that, if the Scheme is approved at the Court Meeting, any TISE Shares issued after the Scheme Record Time will automatically be acquired by Bidco on the same terms as under the Scheme;

Application to Court to sanction the Scheme

Once the requisite approvals have been obtained at the Court Meeting and the General Meeting and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court at the Sanction Hearing before it can become Effective.

The Scheme will become Effective in accordance with its terms on the date of the Court Order. Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or General Meeting, or whether they voted in favour of or against the Scheme.

The Scheme will contain a provision for Bidco and TISE to consent jointly, on behalf of all persons concerned, to any modification of or addition to the Scheme or to any condition that the Court may approve or impose. TISE has been advised that the Court would be unlikely to approve any modification of, or addition to, or impose a condition to the Scheme which might be material to the interests of Scheme Shareholders unless Scheme Shareholders were informed of such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held in these circumstances.

Amended TISE Articles

Any TISE Shares issued at or before the Scheme Record Time will be subject to the terms of the Scheme. Any TISE Shares issued after the Scheme Record Time will be subject to the Amended TISE Articles and will be automatically transferred to Bidco in accordance with the terms of the Amended TISE Articles.

Full details of the Scheme to be set out in the Scheme Document

The Scheme Document will include full details of the Scheme, including the expected timetable and the action to be taken by Scheme Shareholders. The Scheme will be governed by Guernsey law. The Scheme will be subject to the applicable requirements of the Code, the Takeover Panel, the GFSC (in relation to the GFSC Condition), the JCRA (in relation to the JCRA Condition) and The International Stock Exchange Authority Limited (in relation to TISE's admission to listing and trading on The International Stock Exchange).

The Scheme Document, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy will be despatched to TISE Shareholders within 28 days of the date of this Announcement or such later date as may be agreed by the Takeover Panel. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on TISE's website at www.tisegroup.com/offer-documentation/ and on Bidco's website at <http://www.miaxglobal.com/recommended-offer-to-acquire-TISE>. Neither the contents of such websites nor the content of any other website accessible from hyperlinks on such websites is incorporated into, or forms part of, this Announcement.

Conditions

In addition to the requirements described above, the Acquisition is also subject to the Conditions and certain further terms set out in Appendix I of this announcement, including the GFSC Condition and the JCRA Condition.

The Acquisition will lapse if:

- (a) the Court Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and TISE and the Court may allow);
- (b) the General Meeting is not held on or before the 22nd day being the expected date of the General Meeting to be set out in the Scheme Document (or such later date, if any, as Bidco and TISE may agree and the Court may allow); and
- (c) the Scheme does not become Effective by the Long Stop Date.

The Scheme is currently expected to become Effective during Q2 2025, subject to the satisfaction or, where applicable, waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

Right to switch to a Takeover Offer

Bidco reserves the right to elect (in accordance with the terms of the Co-operation Agreement and with the consent of the Takeover Panel, if required) to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of TISE not already owned by the Wider MIH Group as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments including without limitation, the inclusion of an acceptance condition set at no more than 90 per cent. of TISE Shares to which the Takeover Offer relates (or such lesser percentage, being more than 50 per cent. as may be determined by Bidco with the consent of the Takeover Panel (if necessary)), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement. Further, if sufficient acceptances of the Takeover Offer are received and/ or sufficient TISE Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Law of Guernsey to compulsorily acquire any outstanding TISE Shares to which the Takeover Offer relates.

15. TISE Share Plans

Participants in the TISE Share Plans will be contacted regarding the effect of the Acquisition on their rights under the TISE Share Plans and appropriate proposals will be made to such participants in due course pursuant to Rule 15 of the Code. Further details of the terms of such proposals will be set out in the Scheme Document.

16. Cancellation of admission to trading on the Official List of the TISE Shares

It is intended that dealings in TISE Shares will be suspended on or shortly before the Effective Date at a time to be set out in the Scheme Document or as separately announced following the date of this Announcement. It is further intended that an application will be made to The International Stock Exchange Authority Limited for the cancellation of the admission to listing and trading of the TISE Shares on the Official List with effect from or shortly after the Effective Date. It is currently expected that the last day of dealings in TISE Shares on the Official List will be the Business Day immediately prior to the Effective Date and that no transfers will be registered after 6.00 p.m. on that date.

On the Effective Date, TISE will become a wholly owned subsidiary of Bidco. In addition, entitlements to TISE Shares held within the CREST system will be cancelled on the Effective Date.

Upon the Scheme becoming Effective, Bidco (and/or its nominee(s)) will acquire the Scheme Shares fully paid and free from all liens, equitable interests, charges, encumbrances and other third party rights of any nature whatsoever and together with all rights attaching to them including the right to receive and retain all dividends and distributions (if any) declared after the Effective Date.

17. Disclosure of interests in TISE

As at the close of business on the Latest Practicable Date, save for the irrevocable undertakings referred to in paragraphs 4 and 7 above and the 837,032 TISE Shares currently held by Bidco, none of Bidco, its directors, nor so far as Bidco is aware, any person acting, or deemed to be acting, in concert with Bidco:

For these purposes, an “arrangement” includes any indemnity or option arrangement, any agreement or any understanding, formal or informal, of whatever nature, relating to TISE Shares which may be an inducement to deal or refrain from dealing in such securities.

Additional information for US investors

TISE Shareholders in the United States should note that the Acquisition relates to the securities of a Guernsey company with a listing on the Official List and is proposed to be effected by means of a scheme of arrangement provided for under, and governed by, the Companies Law of Guernsey. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with Guernsey law, the Listing Rules, the Code. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company organised in Guernsey and listed on the Official List, which differ from the procedural and disclosure requirements of the United States tender offer rules and proxy solicitation rules under the US Exchange Act. If, in the future, Bidco exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such Takeover Offer would be made by Bidco and no one else.

The financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been or will be prepared in accordance with FRS 102 and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable under FRS 102. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

The TISE Shares have not been approved or disapproved by the Securities Exchange Commission or any US state securities commission, nor have any such authorities passed judgment upon the fairness or the merits of the Acquisition or determined if this Announcement is accurate or complete. Any representation to the contrary is a criminal offence in the United States.

US holders of TISE Shares should also be aware that the receipt of consideration by a US holder for the transfer of its TISE Shares pursuant to the transaction contemplated herein may have tax consequences in the United States and that such consequences, if any, are not described herein. US holders of TISE Shares are urged to consult with independent professional advisors regarding the legal, tax and financial consequences of the Acquisition applicable to them.

It may be difficult for US holders of TISE Shares to enforce their rights and claims arising out of US federal securities laws, since TISE is incorporated outside the United States, and its officers and directors may be residents of, and some or all of their assets may be located in, countries other than the United States. US holders of TISE Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In the event that the Acquisition is implemented by way of a takeover offer, in accordance with normal practice in the UK and Guernsey and consistent with Rule 14e-5(b) of the US Exchange Act (if applicable), Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in TISE outside the United States, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on The International Stock Exchange website at <https://tisegroup.com/>.

Further details in relation to US investors will be contained in the Scheme Document.

Part B: Waiver and invocation of the Conditions

1. Subject to the requirements of the Takeover Panel in accordance with the Code and to the extent permitted by law, Bidco reserves the right in its sole discretion to waive, in whole or in part:
 - (a) all or any of the Conditions set out in Part A of this Appendix I except Conditions 1, 2(a)(i), 2(b)(i) and 2(c)(i) which cannot be waived; and
 - (b) the deadlines in any of Conditions 2(a)(ii), 2(b)(ii) and 2(c)(ii). If such deadline is not met, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition, or agreed with TISE to extend the relevant deadline.
2. The Conditions set out in paragraphs 2 and 3 (inclusive) of Part A of this Appendix I must be fulfilled or waived (to the extent capable of waiver) by no later than 11.59 p.m. on the date immediately preceding the date of the Sanction Hearing (or such later date as TISE, Bidco, the Takeover Panel and, if required, the Court may allow), failing which the Scheme will lapse.
3. The Acquisition will lapse if it does not become Effective by 11:59 p.m. on the Long Stop Date (subject to the rules of the Code and, where applicable, the consent of the Takeover Panel).
4. Bidco shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or treat as fulfilled any of Conditions 3(a) to 3(i) of Part A of this Appendix I by a date earlier than the latest date for the fulfilment or waiver of that Condition specified above, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.
5. Subject to paragraph 6 below, under Rule 13.5(a) of the Code, Bidco may only invoke a Condition so as to cause the Acquisition and/or the Scheme not to proceed, to lapse or to be withdrawn with the consent of the Takeover Panel. The Takeover Panel will normally only give

its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.

6. Conditions 1 and 2 of Part A of this Appendix I (and any Takeover Offer acceptance condition adopted on the basis specified in Part C of this Appendix I) will not be subject to Rule 13.5(a) of the Code.
7. If the Takeover Panel requires Bidco to make an offer or offers for any TISE Shares under the provisions of Rule 9 of the Code, Bidco may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
8. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

Part C: Implementation of the Acquisition by way of a Takeover Offer

Bidco reserves the right to elect (in accordance with the terms of the Co-operation Agreement and with the consent of the Takeover Panel, if required) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments for an acquisition being made by way of a Takeover Offer). The acceptance condition would be set at 90 per cent. of the shares to which such Takeover Offer relates (or such lesser percentage, being more than 50 per cent., as Bidco may decide with the consent of the Takeover Panel).

Part D: Certain further terms of the Acquisition

1. Bidco reserves the right to implement the Acquisition through any other entity owned by MIH from time to time.
2. The TISE Shares shall be acquired by Bidco fully paid and free from all liens, equitable interests, charges, security interests, encumbrances, rights of pre-emption and any other third party rights and interests whatsoever and together with all rights existing at the Announcement Date or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made, paid or payable or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) made in each case by reference to a record date falling on or after the Effective Date, other than the Full Year Dividend.
3. If, on or after the Announcement Date and before the Effective Date, any dividend and/or distribution and/or other return of capital or value other than the Full Year Dividend is authorised, announced, declared, made or paid or becomes payable in respect of the TISE Shares, and with a record date on or prior to the Effective Date, Bidco reserves the right to reduce the consideration payable under the Acquisition in respect of each TISE Share by the aggregate amount of all or part of any such dividend and/or other distribution and/or other return of capital or value, except where TISE Shares are or will be acquired pursuant to the Acquisition on a basis which entitles Bidco to receive such dividend and/or other distribution and/or other return of capital or value, provided that, to the extent that such dividend or distribution or other return of capital or value is cancelled, the Consideration will not be subject to change. If Bidco exercises this right or makes such a reduction in respect of a dividend or other distribution, TISE Shareholders will be entitled to receive and retain that dividend or other distribution. Any exercise by Bidco of its rights referred to in this paragraph 3 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

4. The availability of the Acquisition to persons not resident in Guernsey or the United Kingdom may be affected by the laws of relevant jurisdictions. Therefore, any persons who are subject to the laws of any jurisdiction other than Guernsey or the United Kingdom and any TISE Shareholders who are not resident in Guernsey or the United Kingdom will need to inform themselves about and observe any applicable requirements.
5. Unless otherwise determined by Bidco or required by the Code and permitted by applicable law and regulations, the Acquisition is not being, and will not be, made, directly or indirectly, in, into or by the use of the mails of, or by any other means or instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.
6. The Acquisition will be subject, amongst other things, to the Conditions and certain further terms which are set out in this Appendix I and those terms which will be set out in the Scheme Document and will be subject to the applicable requirements of, and such further terms as may be required to comply with the provisions of the Code and any requirement of the Takeover Panel, The International Stock Exchange Authority Limited and the Guernsey Registry.
7. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and the Forms of Proxy will be governed by Guernsey law and will be subject to the jurisdiction of the Guernsey courts.
