Background Information on the Fund

The primary objective of the Trust is to provide investors with an opportunity to invest in gold through shares, and have the gold securely stored by the Custodial Sponsor. A further objective of the Trust is for the shares to reflect the performance of the price of gold less the expenses of the Trust’s operations. The Trust is not actively managed. It does not engage in any activities designed to obtain a profit from, or to compensate investors for losses caused by, changes in the price of gold.

The shares represent units of fractional undivided beneficial interest in the net assets of the Trust

Proceeds received by the Trust from the issuance and sale of Baskets consist of gold deposits. Such deposits are held by the Custodian on behalf of the Trust until (1) distributed to Authorized Participants in connection with redemptions of Baskets, (2) transferred to pay the Custodial Sponsor Fee, or (3) sold to pay Trust expenses and liabilities not assumed by the Custodial Sponsor.

The Trust receives gold deposited with the Custodian only by Authorized Participants in exchange for the creation of "Baskets," each equal to at least 25,000 shares. Conversely, the Trust delivers gold in exchange for Baskets surrendered to it for redemption by Authorized Participants. The Trust issues and redeems Baskets on a continuous basis only to Authorized Participants. No shares are issued unless and until the Custodian has informed the Trustee that it has credited to the Trust the corresponding amount of gold. The Custodian must allocate ownership of Physical Gold to the Trust such that no amount of Gold remains standing for the benefit of the Trust in the Trust Unallocated Metal Account at the Custodian's close of business on each Business Day. However, in the event that the Custodian is unable to fully allocate ownership of Physical Gold to the Trust by 10:00 p.m. Perth time on each Business Day due to reasons outside of its control, the Custodian will use reasonable efforts to fully allocate Gold to the Trust Allocated Metal Account as soon as possible. Fees are assessed in connection with the creation and redemption of Baskets by Authorized Participants.

Investors may contact their broker-dealer to purchase and sell shares. An investor who would like to take delivery of Physical Gold in exchange for shares may deliver shares to Gold Corporation in exchange for Physical Gold. The number of shares to be delivered must be specified by Gold Corporation to the investor in a pre-populated Application.

The Net Asset Value of the Trust is the aggregate value of gold and other assets, if any, of the Trust (other than any amounts credited to the Trust's reserve account, if any) and cash, if any, less liabilities of the Trust, which include estimated accrued but unpaid fees, expenses and other liabilities. In determining the Trust's Net Asset Value, the Trustee values the gold held by the Trust based on the afternoon LBMA Gold Price, or the morning LBMA Gold Price, if such day's afternoon LBMA Gold Price is not available. If no LBMA Gold Price is available for the day, the Trustee values the Trust's gold based on the most recently announced afternoon LBMA Gold Price or morning LBMA Gold Price. If the Custodial Sponsor determines that such price is inappropriate to use, it must identify an alternate basis for evaluation to be employed by the Trustee. The Custodial Sponsor may instruct the Trustee to use a different publicly available price that the Custodial Sponsor determines to represent fairly the commercial value of the Trust's gold.

Only Authorized Participants may place orders to create and redeem Baskets. Each Authorized Participant must: (1) be a registered broker-dealer or other securities market participant, such as a bank or other financial institution, which, but for an exclusion from registration, would be required to register as a broker-dealer to engage in securities transactions; (2) be a participant in DTC; (3) have in effect a valid Authorized Participant Agreement and (4) have entered into an agreement with the Trustee and the Administrative Sponsor (the Authorized Participant Agreement). The Authorized Participant Agreement provides the procedures for the creation and redemption of Baskets. The Authorized Participant Agreement also includes procedures for the delivery of gold to the Trust in connection with creations and the delivery of gold to Authorized Participants in connection with redemptions. A list of the current Authorized Participants can be obtained from the Trustee or the Administrative Sponsor.

The grounds for a halt under MIAX PEARL Rules include a halt by the primary market because the intraday indicative value of the security and/or the value of its underlying index are not being disseminated as required, or a halt for other regulatory reasons. In addition, MIAX PEARL will stop trading the Shares of a security if the primary market de-lists the security.

Exemptive, Interpretive and No-Action Relief Under Federal Securities Regulations

The Securities and Exchange Commission (the "SEC") has issued letters granting exemptive, interpretive and no-action relief from certain provisions of rules under the Securities Exchange Act of 1934 for exchange-traded securities listed and traded on a registered national securities exchange that meet certain criteria.

AS WHAT FOLLOWS IS ONLY A SUMMARY OF THE RELIEF OUTLINED IN THE NO-ACTION LETTERS REFERENCED ABOVE, THE EXCHANGE ADVISES INTERESTED PARTIES TO CONSULT THE NO- ACTION LETTERS FOR MORE COMPLETE INFORMATION REGARDING THE MATTERS COVERED THEREIN AND THE

APPLICABILITY OF THE RELIEF GRANTED IN RESPECT OF TRADING IN SECURITIES. INTERESTED PARTIES SHOULD ALSO CONSULT THEIR PROFESSIONAL ADVISORS.

Regulation M Exemptions

Generally, Rules 101 and 102 of Regulation M prohibit any “distribution participant” and its “affiliated purchasers” from bidding for, purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of a distribution until after the applicable restricted period, except as specifically permitted in Regulation M. The provisions of the Rules apply to underwriters, prospective underwriters, brokers, dealers, and other persons who have agreed to participate or are participating in a distribution of securities.

The SEC has granted an exemption from Rule 101 under Regulation M to permit persons participating in a distribution of shares of the above-mentioned Fund to engage in secondary market transactions in such shares during their participation in such a distribution. In addition, the SEC has granted relief under Regulation M to permit persons who may be deemed to be participating in the distribution of Shares of the above-mentioned Fund (i) to purchase securities for the purpose of purchasing Creation Unit Aggregations of Fund Shares and (ii) to tender securities for redemption in Creation Unit Aggregations. Further, the SEC has clarified that the tender of Fund Shares to the Fund for redemption does not constitute a bid for or purchase of any of the Fund’s securities during the restricted period of Rule 101. The SEC has also granted an exemption pursuant to paragraph (e) of Rule 102 under Regulation M to allow the redemption of Fund Shares in Creation Unit Aggregations during the continuous offering of Shares.

Rule 10b-10 (Customer Confirmations for Creation or Redemption of Fund Shares)

Broker-dealers who handle purchases or redemptions of Fund Shares in Creation Unit size for customers will be permitted to provide such customers with a statement of the number of Creation Unit Aggregations created or redeemed without providing a statement of the identity, number and price of shares of the individual securities tendered to the Fund for purposes of purchasing Creation Unit Aggregations (“Deposit Securities”) or the identity, number and price of shares to be delivered by the Trust for the Fund to the redeeming holder (“Redemption Securities”). The composition of the securities required to be tendered to the Fund for creation purposes and of the securities to be delivered on redemption will be disseminated each business day and will be applicable to requests for creations or redemption, as the case may be, on that day. This exemptive relief under Rule 10b-10 with respect to creations and redemption is subject to the following conditions:

- 1) Confirmations to customers engaging in creations or redemptions must state that all information required by Rule 10b-10 will be provided upon request;
- 2) Any such request by a customer for information required by Rule 10b-10 will be filed in a timely manner, in accordance with Rule 10b-10(c); and
- 3) Except for the identity, number, and price of shares of the component securities of the Deposit Securities and Redemption Securities, as described above, confirmations to customers must disclose all other information required by Rule 10b-10(a).

Rule 10b-17 (Untimely Announcement of Record Dates)

The SEC has granted an exemption from the requirements of Rule 10b-17 that will cover transactions in the Shares.

Section 11(d)(1); Rule 11d1-2 (Customer Margin)

The SEC has taken a no-action position under Section 11(d)(1) that will permit broker-dealers that do not create Shares but engage in both proprietary and customer transactions in such Shares exclusively in the secondary market to extend or maintain or arrange for the extension or maintenance of credit on the Shares, in connection with such secondary market transactions. For broker-dealers that engage in the creation of Shares, the SEC has also taken a no-action position under Rule 11d1-2 that will cover the extension or maintenance or the arrangement for the extension or maintenance of credit on the Shares that have been owned by the persons to whom credit is provided for more than 30 days.

Rule 14e-5

An exemption from Rule 14e-5 has been granted to permit any person acting as a dealer-manager of a tender offer for a component security of the Fund (1) to redeem Fund Shares in Creation Unit Aggregations from the issuer that may include a security subject to such tender offer and (2) to purchase Fund Shares during such tender offer. In addition, a no-action position has been taken under Rule 14e-5 if a broker-dealer acting as a dealer-manager of a tender offer for a security of the Fund purchases or arranges to purchase such securities in the secondary market for the purpose of tendering such securities to purchase one or more Creation Unit Aggregations of Shares, if made in conformance with the following:

- 1) such bids or purchases are effected in the ordinary course of business, in connection with a basket of 20 or more securities in which any security that is the subject of a distribution, or any reference security, does not comprise more than 5% of the value of the basket purchase; or
- 2) purchases are effected as adjustments to such basket in the ordinary course of business as a result of a change in the composition of the underlying index; and
- 3) such bids or purchases are not effected for the purpose of facilitating such tender offer.

SEC Rule 15c1-5 and 15c1-6 (Disclosure of Control and interest in Distributions)

The SEC has taken a no-action position under Rule 15c1-5 that will permit a broker-dealer to execute transactions in Shares without disclosing any control relationship with an issuer of a component security. In addition, the SEC has taken a no-action position under Rule 15c1-6 that will permit a broker dealer to execute transactions in the Shares without disclosing its participation or interest in a primary or secondary distribution of a component security.
