**RE:** Filing No. SR-MIAX-2016-06  
New available trade correction and cancellation information to FIX Drop Copy Port users

---

The Exchange filed SR-MIAX-2016-06 to add trade correction and cancellation information to the trade information available to users of the MIAX Financial Information Exchange ("FIX") Drop Copy Port.

Beginning today, Tuesday, March 1, 2016, FIX Drop Copy Port users may elect to receive information regarding trade corrections and trade cancellations in addition to the information regarding trade executions currently received by such users.

Please see [SR-MIAX-2016-06](#) for more information on the rule change.
