1. Text of Proposed Rule Change

(a) MIAX Emerald, LLC (“MIAX Emerald” or “Exchange”), pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposes to amend (i) Exchange Rule 530, Limit Up-Limit Down, and (ii) Exchange Rule 521, Nullification and Adjustment of Options Transactions Including Obvious Errors, Interpretations and Policies .01, to extend the pilot to the close of business on October 18, 2019, for certain options market rules that are linked to the equity market Plan to Address Extraordinary Market Volatility.

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and a copy of the proposed amended rule text is attached hereto as Exhibit 5.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Chief Executive Officer of the Exchange pursuant to authority delegated by the MIAX Emerald Board of Directors on January 31, 2019. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the proposed rule change.

Questions and comments on the proposed rule change may be directed to Michael Slade, Counsel, at (609) 897-8499.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The purpose of the proposed rule change is to extend the pilot to the close of business on October 18, 2019, for certain options market rules that are linked to the equity market Plan to Address Extraordinary Market Volatility (the "Limit Up-Limit Down Plan" or the "Plan"). This change is being proposed in connection with a proposed amendment to the Limit Up-Limit Down Plan that would allow the Plan to continue to operate on a permanent basis ("Amendment 18").

In an attempt to address extraordinary market volatility in NMS Stock, and, in particular, events like the severe volatility on May 6, 2010, U.S. national securities exchanges and the Financial Industry Regulatory Authority, Inc. (collectively, "Participants") drafted the Plan pursuant to Rule 608 of Regulation NMS and under the Act.³ On May 31, 2012, the Commission approved the Plan, as amended, on a one-year pilot basis.⁴

The Commission recently published an Amendment 18, which would allow the Plan to operate on a permanent, rather than pilot, basis.⁵ In connection with this change, the Exchange proposes to amend the Options Pilots to expire at the close of business on October 18, 2019 – i.e., six months after the expiration of the current pilot period for the Plan. Specifically, the Exchange proposes to amend Exchange Rule 530 and Rule 521, Interpretation and Policy .01 to untie the Options Pilot's effectiveness from that of the Plan and to extend the Options Pilot's

effectiveness to the close of business on October 18, 2019. The Exchange understands that the other national securities exchanges will also file similar proposals to extend their respective pilot programs, the substance of which are identical to the proposal.

The Exchange does not propose any additional changes to Exchange Rules 530 or Rule 521, Interpretation and Policy .01. The Exchange believes the benefits to market participants from the Options Pilots should continue on a limited six month pilot basis after Commission approves the Plan to operate on a permanent basis. Assuming the Plan is approved by the Commission to operate on a permanent, rather than pilot, basis the Exchange intends to assess whether additional changes should also be made to the Options Pilots. Extending the Options Pilots for an additional six months should provide the Exchange and other national securities exchanges additional time to consider further amendments to their rules in light of proposed Amendment 18.

b. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest and not to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the proposed rule change promotes just and equitable principles of trade in that it promotes transparency and uniformity across markets concerning rules for options

⁷ 15 U.S.C. 78f(b)(5).

markets adopted to coincide with the Plan. The Exchange believes that extending the Options Pilots for an additional six months would help assure that the rules subject to such Pilots are either similarly made permanent, amended or removed, following additional discussion and analysis by the Exchange and other national securities exchanges. The proposed rule change would also help assure that such rules are not immediately eliminated, thus furthering fair and orderly markets, the protection of investors and the public interest. Based on the foregoing, the Exchange believes the Options Pilots should continue to be in effect on a pilot basis while the Exchange and the other national securities exchanges consider and develop a permanent proposal for such rules.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal would ensure the continued, uninterrupted operation of the Options Pilots while the Exchange and other national securities exchanges consider further amendments to these rules in light of proposed Amendment 18. The Exchange understands that the other national securities exchanges will also file similar proposals to extend their respective pilot programs, the substance of which are identical to this proposal. Thus, the proposed rule change will help to ensure consistency across market centers without implicating any competitive issues.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not Applicable

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The proposed rule change would not significantly affect the protection of investors or the public interest because it seeks to extend the protections provided by the Options Pilots, without any changes, while the Exchange and the other national securities exchanges consider and develop a permanent proposal for such rules. This proposed rule change would also not impose any significant burden on competition because the Exchange understands that the other national securities exchanges will also file similar proposals with the Commission to extend their respective pilot programs so that those rules may continue uninterrupted. Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder.¹¹

Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange respectfully requests that the

Commission waive the 30-day operative delay. Waiver of the 30-day operative delay would allow the Exchange to immediately extend the Options Pilots through the close of business October 18, 2019, independent of whatever action the Commission takes with respect to Amendment 18, which seeks Commission approval of the Plan on a permanent basis. Waiver of the operative delay is consistent with the protection of investors and the public interest because it seeks to extend the protections provided by the Options Pilot, without any changes, while the Exchange and the other national securities exchanges consider and develop a permanent proposal for such rules.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34- ; File No. SR-EMERALD-2019-17)

April__, 2019

Self-Regulatory Organizations: Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by MIAX Emerald, LLC to Amend Exchange Rule 530, Limit Up-Limit Down, and Exchange Rule 521, Nullification and Adjustment of Options Transactions

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 5, 2019, MIAX Emerald, LLC (“MIAX Emerald” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend (i) Exchange Rule 530, Limit Up-Limit Down, and (ii) Exchange Rule 521, Nullification and Adjustment of Options Transactions Including Obvious Errors, Interpretations and Policies .01, to extend the pilot to the close of business on October 18, 2019, for certain options market rules that are linked to the equity market Plan to Address Extraordinary Market Volatility.

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/emerald> at MIAX Emerald’s principal office, and at the Commission’s Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the pilot to the close of business on October 18, 2019, for certain options market rules that are linked to the equity market Plan to Address Extraordinary Market Volatility (the “Limit Up-Limit Down Plan” or the “Plan”). This change is being proposed in connection with a proposed amendment to the Limit Up-Limit Down Plan that would allow the Plan to continue to operate on a permanent basis (“Amendment 18”).

In an attempt to address extraordinary market volatility in NMS Stock, and, in particular, events like the severe volatility on May 6, 2010, U.S. national securities exchanges and the Financial Industry Regulatory Authority, Inc. (collectively, “Participants”) drafted the Plan pursuant to Rule 608 of Regulation NMS and under the Act.³ On May 31, 2012, the Commission approved the Plan, as amended, on a one-year pilot basis.⁴

³ See Securities Exchange Act Release No. 64547 (May 25, 2011), 76 FR 31647 (June 1, 2011)(File No. 4-631).

⁴ See Securities and Exchange Act Release No. 67091 (May 31, 2012) 77 FR 33498 (June 6, 2012).

The Commission recently published an Amendment 18, which would allow the Plan to operate on a permanent, rather than pilot, basis.⁵ In connection with this change, the Exchange proposes to amend the Options Pilots to expire at the close of business on October 18, 2019 – i.e., six months after the expiration of the current pilot period for the Plan. Specifically, the Exchange proposes to amend Exchange Rule 530 and Rule 521, Interpretation and Policy .01 to untie the Options Pilot’s effectiveness from that of the Plan and to extend the Options Pilot’s effectiveness to the close of business on October 18, 2019. The Exchange understands that the other national securities exchanges will also file similar proposals to extend their respective pilot programs, the substance of which are identical to the proposal.

The Exchange does not propose any additional changes to Exchange Rules 530 or Rule 521, Interpretation and Policy .01. The Exchange believes the benefits to market participants from the Options Pilots should continue on a limited six month pilot basis after Commission approves the Plan to operate on a permanent basis. Assuming the Plan is approved by the Commission to operate on a permanent, rather than pilot, basis the Exchange intends to assess whether additional changes should also be made to the Options Pilots. Extending the Options Pilots for an additional six months should provide the Exchange and other national securities exchanges additional time to consider further amendments to their rules in light of proposed Amendment 18.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular, in that it is

⁵ See Securities Exchange Act Release Nos. 84843 (December 18, 2018), 83 FR 66464 (December 26, 2018) (Amendment No. 18 Proposing Release).

designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest and not to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the proposed rule change promotes just and equitable principles of trade in that it promotes transparency and uniformity across markets concerning rules for options markets adopted to coincide with the Plan. The Exchange believes that extending the Options Pilots for an additional six months would help assure that the rules subject to such Pilots are either similarly made permanent, amended or removed, following additional discussion and analysis by the Exchange and other national securities exchanges. The proposed rule change would also help assure that such rules are not immediately eliminated, thus furthering fair and orderly markets, the protection of investors and the public interest. Based on the foregoing, the Exchange believes the Options Pilots should continue to be in effect on a pilot basis while the Exchange and the other national securities exchanges consider and develop a permanent proposal for such rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal would ensure the continued, uninterrupted operation of the Options Pilots while the Exchange and other national securities exchanges consider further amendments to these rules in light of proposed Amendment 18. The Exchange understands that the other national securities exchanges will also file similar proposals to extend their respective pilot programs, the substance

of which are identical to this proposal. Thus, the proposed rule change will help to ensure consistency across market centers without implicating any competitive issues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)⁹ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

Rule 521. Nullification and Adjustment of Options Transactions Including Obvious Errors

The Exchange may nullify a transaction or adjust the execution price of a transaction in accordance with this Rule. However, the determination as to whether a trade was executed at an erroneous price may be made by mutual agreement of the affected parties to a particular transaction. A trade may be nullified or adjusted on the terms that all parties to a particular transaction agree, provided, however, that such agreement to nullify or adjust must be conveyed to the Exchange in a manner prescribed by the Exchange prior to 8:30 a.m. Eastern Time on the first trading day following the execution. It is considered conduct inconsistent with just and equitable principles of trade for any Member to use the mutual adjustment process to circumvent any applicable Exchange rule, the Act or any of the rules and regulations thereunder.

(a)-(l) No Change.

Interpretations and Policies:

.01 **Limit Up-Limit Down State.** During a pilot period that expires at the close of business on October 18, 2019 [to coincide with the pilot period for the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS under the Securities Exchange Act of 1934 (the “Limit Up-Limit Down Plan”), including any extensions to the pilot period for the Limit Up-Limit Down Plan], an execution will not be subject to review as an Obvious Error or Catastrophic Error pursuant to paragraph (c) or (d) of this Rule if it occurred while the underlying security was in a “Limit State” or “Straddle State,” as defined in the Regulation NMS Plan to Address Extraordinary Market Volatility (the “Limit Up-Limit Down Plan” or the “Plan”). Nothing in this provision shall prevent such execution from being reviewed on an Official’s own motion pursuant to sub-paragraph (c)(3) of this Rule, or a bust or adjust pursuant to paragraphs (e) through (k) of this Rule.

.02 For purposes of this Rule, to the extent the provisions of this Rule would result in the Exchange applying an adjustment of an erroneous sell transaction to a price lower than the execution price or an erroneous buy transaction to a price higher than the execution price, the Exchange will not adjust or nullify the transaction, but rather, the execution price will stand.

Rule 530. Limit Up-Limit Down

Paragraphs (a)-(j) of this Rule shall be in effect during a pilot period that expires at the close of business on October 18, 2019 [to coincide with the pilot period for the Plan to Address Extraordinary Market Volatility Pursuant to Rule 608 of Regulation NMS, as it may be amended from time to time (“the Plan”), including any extensions to the pilot period for the Plan]. The Exchange will provide the Commission

with data and analysis during the duration of this pilot as requested. This Rule establishes procedures to address extraordinary volatility in NMS Stocks (as defined below) and outlines MIAX Emerald's Limit Up-Limit Down processing.
