

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁷ and Rule 19b-4(f)(6) thereunder.¹⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

Pursuant to the provisions of section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 27, 2015, Miami International Securities Exchange LLC ("MIAX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to modify the closing date of the equity rights program. The text of the proposed rule change is available on the Exchange's Web site at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 6, 2015, the Exchange filed a rule change to implement an

equity rights program (“Program”) pursuant to which units representing the right to acquire equity in the Exchange’s parent holding company, Miami International Holdings, Inc. (“MIH”) would be issued to a participating Member in exchange for payment of an initial purchase price or the prepayment of certain transaction fees and the achievement of certain liquidity volume thresholds on the Exchange over a 29-month period.³ All applicants are subject to the same eligibility and designation criteria, and all participant Members participate in the Program on the same terms, conditions and restrictions. To be designated as a participant Member, an applicant must: (i) Be a Member in good standing of MIAx; (ii) qualify as an “accredited investor” as such term is defined in Regulation D of the Securities Act of 1933; and (iii) have executed all required documentation for Program participation. Participant Members must have executed the definitive documentation, satisfied the eligibility criteria required of Program participants enumerated above, and tendered the minimum cash investment or prepayment of fees by January 27, 2015, with a closing to occur on January 30, 2015.

Because all prospective participant Members are not able to execute the definitive documentation, satisfy the eligibility criteria required of Program participants, and tender the minimum cash investment or prepayment of fees by the January 27, 2015 deadline, the Exchange proposes to make a reasonable accommodation to all prospective participant Members. Accordingly, the Exchange proposes to extend the deadline, by which Participant Members must have executed the definitive documentation, satisfied the eligibility criteria required of Program participants, and tendered the minimum cash investment or prepayment of fees must be submitted [sic] to the Exchange, by 3 days to January 30, 2015, with a closing to occur on February 2, 2015. The Exchange will initiate the measurement period on February 1, 2015, as previously prescribed.⁴ This extension will allow all Members desiring to participate in the Program to subscribe. In making such accommodation, no prospective Participant Member will be impaired in their ability to participate in the Program.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with section 6(b) of the Act⁵ in general, and furthers the objectives of section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the section 6(b)(5) of the Act⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange also believes the proposed rule change is consistent with section 6(b)(4) of the Act,⁸ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

In particular, the proposed rule change is reasonable, equitable and not unfairly discriminatory because it proposes to make a reasonable accommodation to all prospective participant Members who wish to participate in the Program. This will ensure that no prospective participant Member to the Program would be impaired in their ability to participate in the Program.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule change will improve competition by allowing all market participants to subscribe to the Program.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A)(ii) of the Act.⁹ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-74219; File No. SR-NYSEARCA-2015-03]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Include Internet Protocol Network Connections and Fiber Cross Connects Between a User's Cabinet and Non-User's Equipment as Co-Location Services

February 6, 2015.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on January 26, 2015, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to provide that the co-location services offered by the Exchange include 1 Gigabit ("Gb") and 10 Gb Internet Protocol ("IP") network connections in the Exchange's data center and fiber cross connects

("cross connects") between a User's cabinet and non-User's equipment. In addition, the proposed rule change reflects changes to the Exchange's Price List related to these co-location services. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to change its rules to provide that the co-location⁴ services offered by the Exchange include 1 Gb and 10 Gb IP network connections in the Exchange's data center and cross connects between a User's cabinet and non-User's equipment. In addition, this proposed rule change reflects changes to the the [sic] Fee Schedules related to these co-location services.⁵

⁴ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission ("Commission") in 2010. See Securities Exchange Act Release No. Securities Exchange Act Release No. 63275 (November 8, 2010), 75 FR 70048 (November 16, 2010) (SR-NYSEArca-2010-100) (the "Original Co-location Filing"). The Exchange operates a data center in Mahwah, New Jersey (the "data center") from which it provides co-location services to Users.

⁵ For purposes of the Exchange's co-location services, the term "User" includes (i) ETP Holders and Sponsored Participants that are authorized to obtain access to the NYSE Arca Marketplace pursuant to NYSE Arca Equities Rule 7.29 (see NYSE Arca Equities Rule 1.1(yy)); (ii) OTP Holders, OTP Firms and Sponsored Participants that are authorized to obtain access to the NYSE Arca System pursuant to NYSE Arca Options Rule 6.2A (see NYSE Arca Options Rule 6.1A(a)(19)); and (iii) non-ETP Holder, non-OTP Holder and non-OTP Firm broker-dealers and vendors that request to receive co-location services directly from the Exchange. See, e.g., Securities Exchange Act Release Nos. 65970 (December 15, 2011), 76 FR 79242 (December 21, 2011) (SR-NYSEArca-2011-74) and 65971 (December 15, 2011), 76 FR 79267 (December 21, 2011) (SR-NYSEArca-2011-75). As

IP Network Connections

The Exchange offers Users access to the Exchange's Liquidity Center Network ("LCN"), a local area network available in the data center.⁶ The LCN provides Users with access to the Exchange's trading and execution systems and to the Exchange's proprietary market data products.

This proposed rule change would provide that Users may also purchase access to the IP network, a second local area network available in the Exchange's data center.⁷ Like the LCN, the IP network provides Users with access to the Exchange's trading and execution systems and to the Exchanges' proprietary market data products. The IP network also provides Users with access to away market data products. There is greater latency in the transmission of data between Users and the Exchange for the IP Network than for the LCN.

A User is currently able to select from two "bundled" connectivity options, at 1 Gb and 10 Gb, when connecting to the data center.⁸ Both options include two connections referred to as "SFTI" connections. These bundled "SFTI" connections are IP network connections; the reference to "SFTI" is a reflection of the fact that the IP network is sometimes referred to as the "SFTI IP" network. To conform the references to the IP network in the Fee Schedules, the Exchange proposes to revise the description of the bundled connectivity options to remove the reference to "SFTI" and update it to "IP network."

In addition, the Exchange proposes to change its rules to provide that the co-location services offered by the Exchange include 1 Gb and 10 Gb IP network connections in the Exchange's data center. The Exchange also proposes to revise the Fee Schedules to reflect fees related to these IP network connections as follows:

specified in the Fee Schedules, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange's affiliates NYSE MKT LLC and New York Stock Exchange LLC. See Securities Exchange Act Release No. 70173 (August 13, 2013), 78 FR 50459 (August 19, 2013) (SR-NYSEArca-2013-80).

⁶ See Original Co-location Filing, at 70049. See also Securities Exchange Act Release No. 67667 (August 15, 2012), 77 FR 50743 (August 22, 2012) (SR-NYSE Arca-2012-63) ("August 2012 Rule Change").

⁷ The Exchange makes an IP network circuit available to Users for testing and certification purposes at no charge. Such circuit can only be used for testing and certification and is limited to three months. The Exchange proposes to add language to the Price List to include this practice.

⁸ See Securities Exchange Act Release No. 72720 (July 30, 2014), 79 FR 45577 (August 5, 2014) (SR-NYSEArca-2014-81).
