1. Text of Proposed Rule Change

(a) Miami International Securities Exchange, LLC (“MIAX” or “Exchange”), pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² proposes to amend the MIAX Options Fee Schedule (the “Fee Schedule”).

A notice of the proposed rule change for publication in the Federal Register is attached hereto as Exhibit 1, and a copy of the proposed amended Fee Schedule is attached hereto as Exhibit 5.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Chief Executive Officer of the Exchange pursuant to authority delegated by the MIAX Board of Directors of the Exchange on December 11, 2014. Exchange staff will advise the Board of Directors of any action taken pursuant to delegated authority. No other action by the Exchange is necessary for the filing of the proposed rule change.

Questions and comments on the proposed rule change may be directed to Brian O’Neill, Vice President and Senior Counsel, at (609) 897-1434.

3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend the MIAX Options Fee Schedule (the “Fee Schedule”) to modify the fees for FIX Ports. Specifically, the Exchange proposes to adopt the following

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

fees for FIX Ports: (i) \$500 per month for the first FIX Port; (ii) \$300 per month for each FIX Port 2 through 5; and (iii) \$100 per month for each additional FIX Port over 5.

Currently, MIAX assesses monthly FIX Port fees on Members based upon the number of FIX Ports used by the Member submitting orders to the Exchange. The Exchange currently assesses a fee of \$250 per month for the first FIX Port, \$150 per month for each FIX Port 2 through 5; and \$50 per month for each additional FIX Port over 5. The FIX Ports include access to MIAX's primary and secondary data centers and its disaster recovery center.

The Exchange notes that another competing exchange charges substantially more for the use of similar ports.³ The Exchange established the current lower rates in order to encourage additional market participants to become Members of the Exchange and use the service. Now that the Exchange has grown its market share and membership base, the Exchange proposes to modify its fees charged to Members for use of FIX Ports in an effort to increase the Exchange's revenues from non-transaction fee sources and also more closely align the fees with the rates charged by another competing options exchange. Accordingly, the Exchange proposes to increase the fees charged to Members for use of FIX Ports. Specifically, the Exchange proposes to: (i) increase the fee for the first FIX Port, from \$250 to \$500 per month; (ii) increase the fee for each FIX Port 2 through 5, from \$150 to \$300 per month; and (iii) increase the fee for each FIX Port over 5, from \$50 to \$100 per month.

The Exchange proposes to implement the fee changes beginning July 1, 2015.

b. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with

³ See NASDAQ OMX PHLX LLC ("PHLX") Pricing Schedule, Section VII. PHLX assesses members an Order Entry Port Fee of \$650 per month per mnemonic.

Section 6(b) of the Act⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act⁵ in particular, in that it is an equitable allocation of reasonable fees and other charges.

The Exchange believes that the proposed fees are reasonable, equitable and not unfairly discriminatory because Members are free to add and remove FIX Ports and will only be charged for the amount of FIX Ports that they desire to use. The proposed fee is fair and equitable and not unreasonably discriminatory because it applies equally to all Members regardless of type. All similarly situated Members, with the same number of FIX Ports, will be subject to the same fee, and access to the Exchange is offered on terms that are not unfairly discriminatory. The Exchange believes that the proposed fees are reasonable in that the rates are within the range of that charged by another competing options exchange.

4. Self-Regulatory Organization's Statement on Burden on Competition

MIAX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The Exchange believes that the proposal increases both intermarket and intramarket competition by increasing FIX Port fees for Members on the Exchange in the range of comparable fees on another exchange. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges and in order to attract market participants to use its services. The Exchange believes that the proposal reflects this competitive environment because it increases the Exchange's fees in a manner that continues

⁵ 15 U.S.C. 78f(b)(4).

to encourage market participants to register as Members on the Exchange, to provide liquidity, and to attract order flow. To the extent that this purpose is achieved, all the Exchange's market participants should benefit from the improved market liquidity.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period for Commission action.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act, and Rule 19b-4(f)(2) thereunder the Exchange has designated this proposal as establishing or changing a due, fee, or other charge imposed on any person, whether or not the person is a member of the self-regulatory organization, which renders the proposed rule change effective upon filing.

8. Proposed Rule Change Based on rules of Another Self-Regulatory Organization or of the Commission

The proposed rule change is not based on the rules of another self-regulatory organization or of the Commission. The Exchange notes that the proposed fee are within the range or slightly lower than the fees charged by another competing exchange.⁶

9. Security-Based Swap Submissions Filed Pursuant to Section 3C of the Act

Not applicable.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The text of the proposed rule change is available on the Exchange’s website at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the MIAX Options Fee Schedule (the "Fee Schedule") to modify the fees for FIX Ports. Specifically, the Exchange proposes to adopt the following fees for FIX Ports: (i) \$500 per month for the first FIX Port; (ii) \$300 per month for each FIX Port 2 through 5; and (iii) \$100 per month for each additional FIX Port over 5.

Currently, MIAX assesses monthly FIX Port fees on Members based upon the number of FIX Ports used by the Member submitting orders to the Exchange. The Exchange currently assesses a fee of \$250 per month for the first FIX Port, \$150 per month for each FIX Port 2 through 5; and \$50 per month for each additional FIX Port over 5. The FIX Ports include access to MIAX's primary and secondary data centers and its disaster recovery center.

The Exchange notes that another competing exchange charges substantially more for the use of similar ports.³ The Exchange established the current lower rates in order to encourage additional market participants to become Members of the Exchange and use the service. Now that the Exchange has grown its market share and membership base, the Exchange proposes to modify its fees charged to Members for use of FIX Ports in an effort to increase the Exchange's revenues from non-transaction fee sources and also more closely align the fees with the rates charged by another competing options exchange. Accordingly, the Exchange proposes to increase the fees charged to Members for use of FIX Ports. Specifically, the Exchange proposes to: (i) increase the fee for the first FIX Port, from \$250 to \$500 per month; (ii) increase the fee

for each FIX Port 2 through 5, from \$150 to \$300 per month; and (iii) increase the fee for each FIX Port over 5, from \$50 to \$100 per month.

The Exchange proposes to implement the fee changes beginning July 1, 2015.

2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act⁵ in particular, in that it is an equitable allocation of reasonable fees and other charges.

The Exchange believes that the proposed fees are reasonable, equitable and not unfairly discriminatory because Members are free to add and remove FIX Ports and will only be charged for the amount of FIX Ports that they desire to use. The proposed fee is fair and equitable and not unreasonably discriminatory because it applies equally to all Members regardless of type. All similarly situated Members, with the same number of FIX Ports, will be subject to the same fee, and access to the Exchange is offered on terms that are not unfairly discriminatory. The Exchange believes that the proposed fees are reasonable in that the rates are within the range of that charged by another competing options exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The Exchange believes that the proposal increases both intermarket and intramarket competition by increasing FIX Port fees for Members on the Exchange in the range of comparable fees on another exchange. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they

⁴ 15 U.S.C. 78f(b).

deem fee levels at a particular venue to be excessive. In such an environment, the Exchange must continually adjust its fees to remain competitive with other exchanges and in order to attract market participants to use its services. The Exchange believes that the proposal reflects this competitive environment because it increases the Exchange's fees in a manner that continues to encourage market participants to register as Members on the Exchange, to provide liquidity, and to attract order flow. To the extent that this purpose is achieved, all the Exchange's market participants should benefit from the improved market liquidity.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁶ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments
