Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Exchange Rule 404A, Select Provisions of Options Listing Procedures Plan

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 26, 2021, Miami International Securities Exchange, LLC (“MIAX Options” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Exchange Rule 404A, Select Provisions of Options Listing Procedures Plan.

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/> at MIAX Options’ principal office, and at the Commission’s Public Reference Room.

the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 404A, Select Provisions of Options Listing Procedures Plan, to make a minor non-substantive change to update a Uniform Resource Locator (“URL”) to point to the complete copy of the current Options Listings Procedures Plan (“OLPP”) on the Options Clearing Corporation (“OCC”) website.

Currently, Exchange Rule 404A provides that, the provisions set forth in this Rule 404A were adopted by the Exchange as a quote mitigation strategy and are codified in the Options Listing Procedures Plan (“OLPP”). The current rule provides an invalid link to the OLPP, stating that, A complete copy of the current OLPP may be accessed at:

http://www.optionsclearing.com/components/docs/clearing/services/options_listing_procedures_plan.pdf.

The Exchange notes that the current copy of the OLPP is no longer located at this URL and instead may be found at <https://www.theocc.com/Clearance-and-Settlement/Industry-Services>. Therefore, the Exchange proposes to remove the old invalid URL and replace it with the current valid URL.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(5) of the Act⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change will promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with to, and facilitating transaction in securities. Further, the proposed rule change promotes the protection of investors and the public interest by providing an accurate URL to where the public and investors may find the current and complete copy of the OLPP. It is in the public and investors interest for Exchange rules to be accurate and concise so as to avoid the potential for confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes the proposed rule change will not impose any burden on intra-market competition as every Member of the Exchange benefits from the location of the OLPP being

⁴ 15 U.S.C. 78f(b)(5).

corrected in the Exchange's rulebook. Additionally, the proposed rule change is similar to the rules of other exchanges.⁵

The Exchange does not believe that the proposed rule change will impose any burden on inter-market competition as the proposed change is not a competitive filing and is being made solely to correct an inaccurate URL.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and Rule 19b-4(f)(6)⁷ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
