**3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

a. Purpose

---

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

The Exchange proposes to adopt temporary Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 3100, Registration Requirements. The proposed rule change would extend the 120-day period that certain individuals can function as principals without having successfully passed an appropriate qualification examination through April 30, 2021<sup>3</sup>, and would apply only to those individuals who were designated to function as principals prior to January 1, 2021. This proposed rule change is based on a filing recently submitted by the Financial Regulatory Authority, Inc. (“FINRA”)<sup>4</sup> and is intended to harmonize the Exchange’s registration rules with those of FINRA so as to promote uniform standards across the securities industry.

In response to COVID-19, earlier this year FINRA began providing temporary relief by way of frequently asked questions (“FAQs”)<sup>5</sup> to address disruptions to the administration of FINRA qualification examinations caused by the pandemic that have significantly limited the ability of individuals to sit for examinations due to Prometric test center capacity issues.<sup>6</sup>

---

<sup>3</sup> See Securities Exchange Act Release No. 90617 (December 9, 2020), 85 FR 81258 (December 15, 2020) (SR-FINRA-2020-043) (“FINRA Filing”). The Exchange notes that the FINRA Filing also provides temporarily relief to individuals registered with FINRA as Operations Professionals under FINRA Rule 1220. The Exchange does not have a registration category for Operations Professionals and therefore, the Exchange is not proposing to adopt that aspect of the FINRA Filing. If the Exchange seeks to provide additional temporary relief from the rule requirement identified in this proposal beyond April 30, 2021, it will submit a separate rule filing to further extend the temporary extension of time.

<sup>4</sup> See id.

<sup>5</sup> See <https://www.finra.org/rules-guidance/key-topics/covid-19/faq#qe>.

<sup>6</sup> At the outset of the COVID-19 pandemic, all FINRA qualification examinations were administered at test centers operated by Prometric. Based on the health and welfare concerns resulting from COVID-19, in March Prometric closed all of its test centers in the United States and Canada and began to slowly reopen some of them at limited capacity in May. At this time, not all of these Prometric test centers have reopened at full capacity.

FINRA published the first FAQ on March 20, 2020, providing that individuals who were designated to function as principals under FINRA Rule 1210.04<sup>7</sup> prior to February 2, 2020, would be given until May 31, 2020, to pass the appropriate principal qualification examination.<sup>8</sup> On May 19, 2020, FINRA extended the relief to pass the appropriate examination until June 30, 2020. On June 29, 2020, FINRA again extended the temporary relief providing that individuals who were designated to function as principals under FINRA Rule 1210.04 prior to May 4, 2020, would be given until August 31, 2020, to pass the appropriate principal qualification examination. On August 28, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the temporary relief provided via the two FAQs by adopting: (1) temporary Supplementary Material .12 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under FINRA Rule 1210 (Registration Requirements), and (2) temporary Supplementary Material .07 (Temporary Extension of the Limited Period for Persons to Function as Operations Professionals) under FINRA Rule 1220 (Registration Categories).<sup>9</sup> Pursuant to this rule filing, individuals who were designated prior to September 3, 2020, to function as a principal under FINRA Rule 1210.04 would have until December 31, 2020, to pass the appropriate qualification examination.

---

<sup>7</sup> Exchange Rule 3100, Interpretation and Policy .04, is the corresponding rule to FINRA Rule 1210.04.

<sup>8</sup> FINRA Rule 1210.04 (Requirements for Registered Persons Functioning as Principals for a Limited Period) allows a FINRA member firm to designate certain individuals to function in a principal capacity for 120 calendar days before having to pass an appropriate principal qualification examination. Exchange Rule 3100, Interpretation and Policy .04, provides the same allowance to Exchange Members.

<sup>9</sup> See Securities Exchange Act Release No. 89732 (September 1, 2020), 85 FR 55535 (September 8, 2020) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2020-026).

Thereafter, on December 9, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.<sup>10</sup> Pursuant to this rule filing, individuals who were designated prior to January 1, 2021 to function as a principal would have until April 30, 2021 to pass the appropriate qualifying examination.

The Exchange continues to closely monitor the impact of the COVID-19 pandemic on Members<sup>11</sup>, investors, and other stakeholders. The COVID-19 conditions necessitating the extension of relief provided in the FINRA's FAQs and rule amendments persist and, in fact, appear to be worsening.<sup>12</sup> One of the impacts of COVID-19 continues to be serious interruptions in the administration of FINRA qualification examinations at Prometric test centers and the limited ability of individuals to sit for the examinations.<sup>13</sup> Although Prometric has begun reopening test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.<sup>14</sup>

<sup>10</sup> See supra note 3.

<sup>11</sup> The term "Member" means an individual or organization that is registered with the Exchange pursuant to Chapter II of these Rules for purposes of trading on the Exchange as an "Electronic Exchange Member" or "Market Maker. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

<sup>12</sup> See, e.g., Meryl Kornfield, Jacqueline Dupree, Marisa Lati, Paulina Villegas, Siobhan O'Grady and Hamza Shaban, New daily coronavirus cases in U.S. rise to 145,000, latest all-time high, Wash. Post, November 11, 2020, <https://www.washingtonpost.com/nation/2020/11/11/coronavirus-covid-live-updates-us/>.

<sup>13</sup> Information about the continued impact of COVID-19 on FINRA-administered examinations is available at <https://www.finra.org/rules-guidance/keytopics/covid-19/exam>.

<sup>14</sup> Information from Prometric about its safety practices and the impact of COVID-19 on its operations is available at <https://www.prometric.com/corona-virusupdate>.

Furthermore, Prometric has had to close some reopened test centers due to incidents of COVID-19 cases. The initial nationwide closure in March along with the inability to fully reopen all Prometric test centers due to COVID-19 have led to a significant backlog of individuals who are waiting to sit for FINRA examinations.<sup>15</sup>

In addition, firms are continuing to experience operational challenges with much of their personnel working from home due to shelter-in-place orders, restrictions on businesses and social activity imposed in various states, and adherence to other social distancing guidelines consistent with the recommendations of public health officials.<sup>16</sup> As a result, firms continue to face potentially significant disruptions to their normal business operations that may include a limitation of in-person activities and staff absenteeism as a result of the health and welfare concerns stemming from COVID-19. Such potential disruptions may be further exacerbated and may even affect client services if firms cannot continue to keep principal positions filled as they may have difficulty finding other qualified individuals to transition into these roles or may need to reallocate employee time and resources away from other critical responsibilities at the firm.

These ongoing, extenuating circumstances make it impracticable for Members to ensure that the individuals whom they have designated to function in a principal capacity, as set forth in Exchange Rule 3100, Interpretation and Policy .04, are able to successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rule,

---

<sup>15</sup> Although an online test delivery service has been launched to help address the backlog, the General Securities Principal Exam (Series 24) is not available online. See *supra* note 3. FINRA is considering making additional qualifications examinations available remotely on a limited basis.

<sup>16</sup> See, e.g., Centers for Disease Control and Prevention, How to Protect Yourself & Others, <https://www.cdc.gov/coronaviurs/2019-ncov/prevent-gettingsick/prevention.html>.

or to find other qualified staff to fill this position. The ongoing circumstances also require individuals to be exposed to the health risks associated with taking an in-person examination, because the General Securities Principal examination is not available online. Therefore, the Exchange is proposing to continue the temporary relief provided through the FINRA FAQs by adopting Interpretation and Policy .13 to Exchange Rule 3100 to extend the 120-day period during which an individual can function as a principal before having to pass an applicable qualification examination until April 30, 2021.<sup>17</sup> The proposed rule change would apply only to those individuals who were designated to function as a principal prior to January 1, 2021. Any individuals designated to function as a principal on or after January 1, 2021, would need to successfully pass an appropriate qualification examination within 120 days.

The Exchange believes that this proposed extension of time is tailored to address the needs and constraints on a Member's operations during the COVID-19 pandemic, without significantly compromising critical investor protection. The proposed extension of time will help to minimize the impact of COVID-19 on Members by providing flexibility so that Members can ensure that principal positions remain filled. The potential risks from the proposed extension of the 120-day period are mitigated by the Member's requirement to supervise the activities of these designated individuals and ensure compliance with federal securities laws and regulations, as well as Exchange rules.

b. Statutory Basis

---

<sup>17</sup> See supra note 3.

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>18</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>19</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is intended to minimize the impact of COVID-19 on Member operations by extending the 120-day period certain individuals may function as a principal without having successfully passed an appropriate qualification examination under Exchange Rule 3100, Interpretation and Policy. 04, until April 30, 2021. The proposed rule change does not relieve Members from maintaining, under the circumstances, a reasonably designed system to supervise the activities of their associated persons to achieve compliance with applicable securities laws and regulations, and with applicable Exchange rules that directly serve investor protection. In a time when faced with unique challenges resulting from the COVID-19 pandemic, the Exchange believes that the proposed rule change is a sensible accommodation that will continue to afford Members the ability to ensure that critical positions are filled and client services maintained, while continuing to serve and promote the protection of investors and the public interest in this unique environment.

#### **4. Self-Regulatory Organization's Statement on Burden on Competition**

---

<sup>18</sup> 15 U.S.C. 78f(b).

<sup>19</sup> 15 U.S.C. 78f(b)(5).

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is intended to provide temporary relief given the impacts of the COVID-19 pandemic crisis and to also maintain consistency with the rules of other self-regulatory organizations (“SROs”) with respect to the registration requirements applicable to Members and their registered personnel. In that regard, the Exchange believes that any burden on competition would be clearly outweighed by providing Members with temporary relief in this unique environment while also ensuring clear and consistent requirements applicable across SROs and mitigating any risk of SROs implementing different standards in these important areas. In its filing, FINRA provides an abbreviated economic impact assessment maintaining that the changes are necessary to temporarily rebalance the attendant benefits and costs of the obligations under FINRA Rule 1210 in response to the impacts of the COVID-19 pandemic that is equally applicable to the changes the Exchange proposes.<sup>20</sup> The Exchange accordingly incorporates FINRA’s abbreviated economic impact assessment by reference.

**5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

No written comments were either solicited or received.

**6. Extension of Time Period for Commission Action**

Not applicable.

**7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

---

<sup>20</sup> See supra note 3; see also Securities Exchange Act Release Nos. 89732 (September 1, 2020), 85 FR 55535 (September 8, 2020) (SR-FINRA-2020-26).

Pursuant to Section 19(b)(3)(A) of the Act<sup>21</sup> and Rule 19b-4(f)(6)<sup>22</sup> thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that this proposal is non-controversial and eligible to become effective immediately because it promotes uniformity in standards for registration requirements across self-regulatory organizations. The Exchange further believes that the proposed rule change would not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is based on a recent filing submitted by FINRA.<sup>23</sup>

The Exchange requests that the Commission waive the 30-day operative delay in order to ensure that the proposed rule change may become operative immediately. Waiver of the operative delay would allow the proposed rule change to be in effect on the date of filing to extend the temporary relief to Members during these unique circumstances resulting from the COVID-19 pandemic. The ongoing extenuating circumstances of the COVID-19 pandemic make it impractical to ensure that individuals designated to act as principals are able to take and pass the appropriate qualification examination during the 120-calendar day period required under the rules. Shelter-in-place orders, quarantining, restrictions on business and social activity and

<sup>23</sup> See supra note 3.

adherence to other social distancing guidelines consistent with the recommendation of public officials remain in place in various states.<sup>24</sup> Further, Prometric test centers have experienced serious interruptions in the administration of FINRA qualification examinations, resulting in a backlog of individuals waiting to take these examinations. Following a nationwide closure of all test centers earlier in the year, some test centers have re-opened, but are operating at limited capacity or are only delivering certain examinations that have been deemed essential by the local government.<sup>25</sup> While FINRA has launched an online test delivery service to help address this backlog, the General Securities Principal (Series 24) Examination is not available online. The Exchange notes that the temporary proposed rule change will provide needed flexibility to ensure that principal positions remain filled and is tailored to address the constraints on Members' operations during the COVID-19 pandemic without significantly compromising critical investor protection. Further, as proposed, this proposed rule change would extend the 120-day period that certain individuals can function as principals through April 30, 2021. As noted above, if the Exchange requires temporary relief from the rule requirements identified in this proposal beyond April 30, 2021, it would submit a separate rule filing to extend the effectiveness of the temporary relief. Accordingly, because the proposal does not raise any new or novel regulatory or substantive issues, the Exchange believes the proposed rule change is non-controversial and is therefore eligible for immediately effective treatment under the Commission's current procedures for processing rule filings.

---

<sup>24</sup> See supra note 13.

<sup>25</sup> See supra notes 12 and 13.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>26</sup> normally does not become operative for 30 days after the date of its filing. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION  
(Release No. 34- ; File No. SR-PEARL-2020-36)

December \_\_\_\_, 2020

Self-Regulatory Organizations: Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by MIAX PEARL, LLC to Amend Exchange Rule 3100, Registration Requirements, to Adopt Temporary Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals)

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 28, 2020, MIAX PEARL, LLC (“MIAX PEARL” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Exchange Rule 3100, Registration Requirements, to adopt temporary Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals).

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/pearl> at MIAX PEARL’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

---

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt temporary Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 3100, Registration Requirements. The proposed rule change would extend the 120-day period that certain individuals can function as principals without having successfully passed an appropriate qualification examination through April 30, 2021<sup>3</sup>, and would apply only to those individuals who were designated to function as principals prior to January 1, 2021. This proposed rule change is based on a filing recently submitted by the Financial Regulatory Authority, Inc. (“FINRA”)<sup>4</sup> and is intended to harmonize the Exchange’s registration rules with those of FINRA so as to promote uniform standards across the securities industry.

---

<sup>3</sup> See Securities Exchange Act Release No. 90617 (December 9, 2020), 85 FR 81258 (December 15, 2020) (SR-FINRA-2020-043) (“FINRA Filing”). The Exchange notes that the FINRA Filing also provides temporarily relief to individuals registered with FINRA as Operations Professionals under FINRA Rule 1220. The Exchange does not have a registration category for Operations Professionals and therefore, the Exchange is not proposing to adopt that aspect of the FINRA Filing. If the Exchange seeks to provide additional temporary relief from the rule requirement identified in this proposal beyond April 30, 2021, it will submit a separate rule filing to further extend the temporary extension of time.

<sup>4</sup> See id.

In response to COVID-19, earlier this year FINRA began providing temporary relief by way of frequently asked questions (“FAQs”)<sup>5</sup> to address disruptions to the administration of FINRA qualification examinations caused by the pandemic that have significantly limited the ability of individuals to sit for examinations due to Prometric test center capacity issues.<sup>6</sup>

FINRA published the first FAQ on March 20, 2020, providing that individuals who were designated to function as principals under FINRA Rule 1210.04<sup>7</sup> prior to February 2, 2020, would be given until May 31, 2020, to pass the appropriate principal qualification examination.<sup>8</sup> On May 19, 2020, FINRA extended the relief to pass the appropriate examination until June 30, 2020. On June 29, 2020, FINRA again extended the temporary relief providing that individuals who were designated to function as principals under FINRA Rule 1210.04 prior to May 4, 2020, would be given until August 31, 2020, to pass the appropriate principal qualification examination. On August 28, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the temporary relief provided via the two FAQs by adopting: (1) temporary Supplementary Material .12 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under FINRA Rule 1210 (Registration

---

<sup>5</sup> See <https://www.finra.org/rules-guidance/key-topics/covid-19/faq#qe>.

<sup>6</sup> At the outset of the COVID-19 pandemic, all FINRA qualification examinations were administered at test centers operated by Prometric. Based on the health and welfare concerns resulting from COVID-19, in March Prometric closed all of its test centers in the United States and Canada and began to slowly reopen some of them at limited capacity in May. At this time, not all of these Prometric test centers have reopened at full capacity.

<sup>7</sup> Exchange Rule 3100, Interpretation and Policy .04, is the corresponding rule to FINRA Rule 1210.04.

<sup>8</sup> FINRA Rule 1210.04 (Requirements for Registered Persons Functioning as Principals for a Limited Period) allows a FINRA member firm to designate certain individuals to function in a principal capacity for 120 calendar days before having to pass an appropriate principal qualification examination. Exchange Rule 3100, Interpretation and Policy .04, provides the same allowance to Exchange Members.

Requirements), and (2) temporary Supplementary Material .07 (Temporary Extension of the Limited Period for Persons to Function as Operations Professionals) under FINRA Rule 1220 (Registration Categories).<sup>9</sup> Pursuant to this rule filing, individuals who were designated prior to September 3, 2020, to function as a principal under FINRA Rule 1210.04 would have until December 31, 2020, to pass the appropriate qualification examination.

Thereafter, on December 9, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.<sup>10</sup> Pursuant to this rule filing, individuals who were designated prior to January 1, 2021 to function as a principal would have until April 30, 2021 to pass the appropriate qualifying examination.

The Exchange continues to closely monitor the impact of the COVID-19 pandemic on Members<sup>11</sup>, investors, and other stakeholders. The COVID-19 conditions necessitating the extension of relief provided in the FINRA's FAQs and rule amendments persist and, in fact, appear to be worsening.<sup>12</sup> One of the impacts of COVID-19 continues to be serious interruptions in the administration of FINRA qualification examinations at Prometric test centers and the

limited ability of individuals to sit for the examinations.<sup>13</sup> Although Prometric has begun reopening test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.<sup>14</sup> Furthermore, Prometric has had to close some reopened test centers due to incidents of COVID-19 cases. The initial nationwide closure in March along with the inability to fully reopen all Prometric test centers due to COVID-19 have led to a significant backlog of individuals who are waiting to sit for FINRA examinations.<sup>15</sup>

In addition, firms are continuing to experience operational challenges with much of their personnel working from home due to shelter-in-place orders, restrictions on businesses and social activity imposed in various states, and adherence to other social distancing guidelines consistent with the recommendations of public health officials.<sup>16</sup> As a result, firms continue to face potentially significant disruptions to their normal business operations that may include a limitation of in-person activities and staff absenteeism as a result of the health and welfare concerns stemming from COVID-19. Such potential disruptions may be further exacerbated and may even affect client services if firms cannot continue to keep principal positions filled as they

<sup>15</sup> Although an online test delivery service has been launched to help address the backlog, the General Securities Principal Exam (Series 24) is not available online. See *supra* note 3. FINRA is considering making additional qualifications examinations available remotely on a limited basis.

may have difficulty finding other qualified individuals to transition into these roles or may need to reallocate employee time and resources away from other critical responsibilities at the firm.

These ongoing, extenuating circumstances make it impracticable for Members to ensure that the individuals whom they have designated to function in a principal capacity, as set forth in Exchange Rule 3100, Interpretation and Policy .04, are able to successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rule, or to find other qualified staff to fill this position. The ongoing circumstances also require individuals to be exposed to the health risks associated with taking an in-person examination, because the General Securities Principal examination is not available online. Therefore, the Exchange is proposing to continue the temporary relief provided through the FINRA FAQs by adopting Interpretation and Policy .13 to Exchange Rule 3100 to extend the 120-day period during which an individual can function as a principal before having to pass an applicable qualification examination until April 30, 2021.<sup>17</sup> The proposed rule change would apply only to those individuals who were designated to function as a principal prior to January 1, 2021. Any individuals designated to function as a principal on or after January 1, 2021, would need to successfully pass an appropriate qualification examination within 120 days.

The Exchange believes that this proposed extension of time is tailored to address the needs and constraints on a Member's operations during the COVID-19 pandemic, without significantly compromising critical investor protection. The proposed extension of time will help to minimize the impact of COVID-19 on Members by providing flexibility so that Members can ensure that principal positions remain filled. The potential risks from the proposed extension of the 120-day period are mitigated by the Member's requirement to supervise the activities of these

designated individuals and ensure compliance with federal securities laws and regulations, as well as Exchange rules.

## 2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>18</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>19</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is intended to minimize the impact of COVID-19 on Member operations by extending the 120-day period certain individuals may function as a principal without having successfully passed an appropriate qualification examination under Exchange Rule 3100, Interpretation and Policy. 04, until April 30, 2021. The proposed rule change does not relieve Members from maintaining, under the circumstances, a reasonably designed system to supervise the activities of their associated persons to achieve compliance with applicable securities laws and regulations, and with applicable Exchange rules that directly serve investor protection. In a time when faced with unique challenges resulting from the COVID-19 pandemic, the Exchange believes that the proposed rule change is a sensible accommodation that will continue to afford Members the ability to ensure that critical positions are filled and client services maintained, while continuing to serve and promote the protection of investors and the public interest in this unique environment.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is intended to provide temporary relief given the impacts of the COVID-19 pandemic crisis and to also maintain consistency with the rules of other self-regulatory organizations (“SROs”) with respect to the registration requirements applicable to Members and their registered personnel. In that regard, the Exchange believes that any burden on competition would be clearly outweighed by providing Members with temporary relief in this unique environment while also ensuring clear and consistent requirements applicable across SROs and mitigating any risk of SROs implementing different standards in these important areas. In its filing, FINRA provides an abbreviated economic impact assessment maintaining that the changes are necessary to temporarily rebalance the attendant benefits and costs of the obligations under FINRA Rule 1210 in response to the impacts of the COVID-19 pandemic that is equally applicable to the changes the Exchange proposes.<sup>20</sup> The Exchange accordingly incorporates FINRA’s abbreviated economic impact assessment by reference.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the

<sup>20</sup> See supra note 3; see also Securities Exchange Act Release Nos. 89732 (September 1, 2020), 85 FR 55535 (September 8, 2020) (SR-FINRA-2020-26).

Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act<sup>21</sup> and Rule 19b-4(f)(6)<sup>22</sup> thereunder.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay because waiver of the operative delay would allow the proposed rule change to be in effect on the date of filing to extend the temporary relief to Members during these unique circumstances resulting from the COVID-19 pandemic.

The Exchange further believes that the proposed rule change would not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is based on a recent filing submitted by FINRA<sup>23</sup> and will promote uniformity in registration requirement standards across self-regulatory organizations. The ongoing extenuating circumstances of the COVID-19 pandemic make it impractical to ensure that individuals designated to act as principals are able to take and pass the appropriate qualification examination during the 120-calendar day period required under the rules. The Exchange believes that the temporary proposed rule change will provide needed flexibility to ensure that principal positions remain filled and is tailored to address the constraints on Members' operations during the COVID-19 pandemic without significantly compromising

<sup>22</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>23</sup> See supra note 3.

critical investor protection. Accordingly, because the proposal does not raise any new or novel regulatory or substantive issues, the Exchange believes the proposed rule change is non-controversial and is therefore eligible for immediately effective treatment under the Commission's current procedures for processing rule filings.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
